**SCHOOL PROFILE**

Denver Public Schools serve the residents of the City and County of Denver. Denver Public School District has 21 high schools and is widely recognized today as one of the best urban school systems in the country. Denver Public Schools is committed to making Denver a national leader in student achievement, high school graduation, college and career preparation, and college matriculation. The foundation of the district philosophy is to ensure that all students achieve academically and that all children learn from a highly skilled faculty in every school that is empowered by robust professional development and timely assessment data. Highly trained principals and assistant principals will serve as instructional leaders of the faculty in DPS schools.

**COMMUNITY INFORMATION**

Denver is a dynamic city and offers everything from entertainment to national sports teams, cultural institutes and history. Due to its economic strength, the community continues to grow.
