**SCHOOL PROFILE**

Gilbert Public Schools is proud to share with you highlights of their programs. The current enrollment is over 35,000 students, and this represents a tremendous growth in the past few years. The District helps lead the State in academic scores as well as in a variety of extracurricular programs, including athletics and the fine arts. Emphasis is placed on the basic skills: math, reading, writing, language, science, and social studies. Physical education, computer instruction, art, music, and extracurricular activities comprise the balance of the educational programs. Gilbert has been recognized as having an outstanding fine arts program and a very comprehensive interscholastic activity program. These accomplishments are the result of outstanding students, a supportive community, excellent educators, and support personnel.
