SCHOOL PROFILE

The primary purpose of Groton-Dunstable Regional School District is to provide a positive learning experience for all students. All administration, faculty and staff are committed to maintaining an atmosphere of mutual respect, and physical, emotional, social and intellectual well-being, so students can reach their full potential. Through an evolving curriculum, GDRSD provides a framework for students of various capabilities and learning styles to acquire and apply their skills and understanding to contribute to society. By fostering a spirit of cooperation and support among the schools, communities, students and their families; the school encourages each student to develop a spirit of inquiry motivation for continuous growth and services, so that they may live rewarding lives as responsible citizens.

COMMUNITY INFORMATION

Groton and Dunstable are located approximately 35 miles northwest of Boston. In this middle to upper class community, residents are mainly employed in business and professional occupations.
