Indian Lake School district may be small, with 131 students in grades Pre-K through 12, but they are rich in academic excellence. Dedicated teachers and small class sizes mean that students are able to get the extra help that they need. Indian Lake teams up with sister schools in Minerva, Long Lake and Newcomb so that students are able to play sports and take part in activities such as prom. An academic environment rich in practical and cultural experiences ensures that students graduate ready for success as young adults. Classes for college credit are available.

About the Location: Located in the heart of the Adirondacks, Indian Lake is nestled between forests, mountains and lakes, making it the perfect place for outdoor adventure lovers.
