The School District of Indian River County strives to create an environment where all students have the opportunity to achieve academically. The district works hard to maintain a safe, healthy and supportive atmosphere that they believe allows students to succeed. Educational innovation and real world preparation are two main components of the district. Diversity is very appreciated in the district, as it has added value in both the classroom and in the community. The Indian River County School District is a great place for students to develop and grow.
