The Las Virgenes Unified School District takes pride in sending their students to college. Nearly 98% of their students attend college after graduation. Their challenging curriculum is a major reason as to why their students are so successful. Many students are enrolled in Advanced Placement courses, with the majority of them receiving college credit for the class. It is clear that the district is dedicated toward enhancing student achievement.

**About the Location:** Calabasas, California is home to many famous actors, athletes, and other celebrities. The southbound Malibu beaches provide all the surfing and fun in the sun you could want, while nearby Los Angeles is home to the world famous Lakers and Major League Baseball's Angels and Dodgers. Rounding out the area's culture is a world-renowned art community, fine arts festivals, exhibits, museum tours, and photography contests.
