

Long Lake Central School District

 search.student-management.com/property/long-lake-central-school-district/

Long Lake is continually working to enhance and enrich their curriculum, as well as to bring cyber learning into their classrooms. The school's small size ensures that a great education is provided by caring, motivated teachers. Small classes also ensure that students receive ample tutoring and that each and everyone of them gets the extra support that they need to really thrive. The school offers a variety of extra-curricular musical, dramatic and athletic opportunities.

About the Location: Within Adirondack Park, Long Lake is a town bursting with outdoor activities. Locals enjoy hiking up Coney Mountain, fishing, attending concerts in town, taking seaplane rides, kayaking, camping, stand up paddle boarding, birding and boating. In the winter they enjoy snowmobiling and skiing. There are canoe paddling competitions, snowmobiling days and plenty of wild animals, including moose to be soon. The grave of a Titanic survivor can even be pointed out during a Long Lake Cemetery tour.

Extracurricular Activities: Corner Garden Club, Electrathon Car Club, National Honor Society, Student Council and Yearbook Club

Sports Offered: Baseball, Basketball, Soccer and Softball
