Maynard School District will unveil its brand new Maynard High School building in August 2013, which boasts a new state of the art auditorium and gymnasium, as well as brand new athletic fields. Many students participate in various sports programs and clubs, as well as an impressive arts program and plenty of advanced level classes. All of these efforts are made to give students the opportunity to develop real world 21st century skills.

About the Location: Maynard, Massachusetts is a short, 40 minutes from downtown Boston. This charming New England town offers students a safe, suburban area to spend their experience abroad, while allowing them quick access to the big, diverse city life of Boston. The town of Maynard, with its parks, Community Theater and quaint downtown center alongside Bostons lively atmosphere, makes this a location that cant be beat.
