SCHOOL PROFILE

This school District has two high schools and has been in existence since 1895. The school is nestled against the coastal foothills, and Morro Bay High School literally sits on the beach. The District is one of the highest achieving public school systems in the State. The mission of San Luis Coastal Unified School District is to educate students to become self-sufficient individuals who are capable of making significant contributions to society, and managing change in the culturally diverse world community. The District guarantees to provide the highest quality programs and services which will give all individuals the opportunity to realize their full intellectual, physical, creative, emotional, and social potential.

COMMUNITY INFORMATION

The community is halfway between Los Angeles and San Francisco along the beautiful California Pacific Ocean coast. Both cities are reachable within 4 hours drive.
