SCHOOL PROFILE

Saugus High School offers a quality educational experience for both domestic and international students, providing a curriculum that is challenging, rich with rigor, and focused on 21st century skills. The Academy for the Advanced Program of Studies in Humanities or Science, Technology, Engineering, and Math (STEM) focuses on advanced learning within the regular program of studies. Students in the Academy are required to take not less than seven of the many AP courses offered. There are 24 highly competitive sports, producing individual state champions and state finalists. About 91% of Saugus graduates matriculated to two or four year colleges.

COMMUNITY INFORMATION

The Town of Saugus has a population of 27,000 and is a quaint residential suburban community rich with history, a seaport, and a thriving commercial sector. Saugus offers a blend of Boston's character, a quality education, and small community life that would be attractive to any international student considering studying abroad.
