

Scottsdale School District

 search.student-management.com/property/scottsdale-school-district/

Through increased academic rigor, the Scottsdale Unified School District has developed high standards for their students. Because of this initiative, 3 high schools within the district have been ranked in the top 20 of Arizona schools. All classrooms in the schools are equipped with computers, projectors, and TV monitors. The district hopes with all of these advancements, they will be able to instill a passion for lifelong learning in their students.

About the Location: Scottsdale, Arizona has one of the most beautiful landscapes in the country. This landscape is home to incredible opportunities for hiking, biking, and even horseback riding. The city also has more than 100 art galleries, along with museums and theaters for entertainment. Nature is also prevalent in the area, with the Bearizona Wildlife Park allowing access for visitors to experience wildlife in their natural habitat. Scottsdale has something for everyone to do.
