SCHOOL PROFILE

Seattle Public Schools are focused on improving academic achievement for all students and committed to ensuring that all students graduate from high school prepared for college, careers, and life.

Seattle Public School District is the 3rd school district serving Seattle Washington. It consists of 9 high schools, with high-level academics as well as extensive extracurricular activities and one of the largest offerings of international clubs in the US including Japanese Club, French Club and Scandinavian Club. Seattle Public Schools strive to provide excellent teachers in every classroom, set high expectations for every student, meet the needs of diverse learners, and prepare students to excel. For those interested in sports, the school district has a wide range to choose from as well.

COMMUNITY INFORMATION

Seattle is famous for its Space Needle, Starbucks coffee and its beautiful harbor. It is surely one of the most interesting cities in the US, surrounded by beautiful nature.
