SCHOOL PROFILE

Shown as a location in many films and TV shows, Torrance High School has become one of the most well-known public schools in America. Students studying here will truly feel the American education experience that is so famous on the big screen. Founded in 1917, the school provides students with over 100 classrooms, a library, five computer labs, two gyms, and a number of athletic fields. The school also has a tradition of doing very well in sports competitions. Teams from Torrance have done notably well in baseball, football, golf, softball, tennis and volleyball. The school's staff and students create a great community that is focused on quality education through challenging academics.

COMMUNITY INFORMATION

Torrance is a wonderful city conveniently located one hour south of Los Angeles, California. The city has a great year round climate with low humidity and offers many famous sites and activities. International students can visit one of America's few urban wetlands, Madrona Plains, or do some shopping at one of America's largest malls, Del Amo Fashion Center. Torrance also has a number of museums, beaches, bicycle paths, and skate parks for students to enjoy.
