At Warwick Valley Central School District the goal is to foster excellence and to raise expectations of students, staff and the community. Students are given the skills to succeed as learners, workers and citizens of the 21st century. The high school offers college classes through local colleges and is building a brand new multi media center to help students take advantage of all of the technology around them. In order to keep up with the changing world and workplace the high school frequently updates their courses offered and just this past school year added 13 new and interesting classes.

About the Location: A part of the Hudson River Valley and only two hours from New York City, Warwick Valley is in rural, northern New York state. With a quaint downtown area, Warwick is known for their food and music. Both of these of which are on display during Applefest, the festival which draws in thousands of visitors every year. Homemade pies, bread, and many other locally grown and produced dishes can be found everywhere in Warwick. *National Geographic Traveler* named the Hudson Valley as one of the top destinations in the world. This area is also designated as a National Heritage Area and there is endless beauty, history, culture and food to appreciate.
