SCHOOL PROFILE

Winthrop High School provides a safe, respectful environment where all students are challenged to reach their full academic and social potential. It is a small school with just over 550 students, in grades nine through twelve. Winthrop High School has a rich tradition and a community that takes pride and ownership for the learning experiences for all its students. In 2016 Winthrop Public Schools will open a brand new state of the art high school facility. Each classroom will be housed with 21st century technologies such as 70 inch clear touch interactive screens. Students will have their own personalized Ipad. The school believes that each student is a valued individual with unique, physical, social, emotional, and intellectual needs. They seek to foster a climate of shared responsibility among students, faculty, administration, parents and the community at large.

COMMUNITY INFORMATION

Winthrop High School is located in a colonial New England seaside community, only five miles from downtown Boston. Students will have easy access to public transport that will lead into the city center.
