The MSc in Petroleum Geology is a two-year multidisciplinary course covering a range of earth science and related subjects, and their application to the exploration and production of hydrocarbons. The course is intended to prepare students for professional positions in the petroleum industry, environmental and geotechnical consulting industries, government agencies and for graduate studies at the doctoral level. The course has been structured in close collaboration with ENI, which also delivers technical seminars during the course.

### Programs Pre-Requisites:

- Bachelor Degree (preferably in Geology and translated in English or Italian).
- Transcript (in English, any format).
- Curriculum Vitae (in English, any format).
- Motivation Letter (in English, any format).
- English proficiency certificate for non-English mother tongue. Minimum requirements: IELTS 5.0- TOEFL IBT 77/PBT 547/CBT 210- CEF B1- OR ALL OTHER EQUIVALENTS).
- Curricular pre-requisites: basic training in mathematics, physics and chemistry and at least a basic knowledge in geosciences are required. A committee will evaluate the CV of the candidate before admitting for application.
- In order to allow the pre-evaluation process and Embassy bureaucracy, applications must be submitted before mid-May.

### APPLICATION IN 3 STEPS

1. **PRE-EVALUATION:** applications will be evaluated by a committee of the Department of Physics and Geology, University of Perugia in order to ascertain whether the requirements for admission have been met. Documents to be sent to [marta.alunnipini@unipg.it](mailto:marta.alunnipini@unipg.it)
2. **EMBASSY:** Non-European students, who have been positively pre-evaluated, go to the Italian embassy in their Country of residence in order to apply for the Visa during the Visa Processing Period (usually between the end of May and the beginning of July). Depending upon the Country of residence, students may have to produce a copy of the pre-evaluation letter from the University by the embassy along with all the other documents. Non-European and European students alike must provide official copies of all documents requested translated into Italian.
3. **MATRICULATION:** Students arrive in Perugia and go to the University Office for International Students to matriculate into the their program of interest in September/October. Find more information here: <http://www.unipg.it/en/courses/general-admission-requirements>

**Fees:** Tuitions are payable when the student matriculate into the program in Italy (no application fees applied). The tuition is composed of governmental taxes (variable amount; this tax varies depending upon the student family income, ranging from 503 to 1,763.52 euros per year). Students coming from abroad also have to pay a special fee for the amount of about €. 300.00 for recognition of their previous studies. All tuition must be paid in four installments.

**Scholarship:** Students can apply **online** [www.adisupg.gov.it](http://www.adisupg.gov.it) **from July to August**. ADISU is an institution that offers a limited number of scholarships based on family income and merit. Students can pre-apply online but are requested to complete the application process in person when they arrive in Italy.
