# The Lincoln Experience

## Top 25 UK University

The University of Lincoln ranked 22nd in the UK.

The Guardian University Guide 2019.

Discover what sets the University of Lincoln apart from other universities and why ambitious students from around the world choose to study here.

### Gold-rated University

The University of Lincoln was awarded Gold by the Teaching Excellence Framework (TEF) 2017. Developed by the Department for Education in England, the TEF assesses university quality and awarded a gold rating for delivering consistently outstanding teaching, learning and outcomes for its students.

### Learn from Experts

At Lincoln, you will have the opportunity to learn from expert academics and be inspired by talks from guest speakers. Past speakers have included: Astronomer Royal Sir Martin Rees; ExoMars Rover engineer Abbie Hutty; and Poet Laureate Carol Ann Duffy.

### Engage in Research

Lincoln is proud to be home to world-class researchers who are making significant contributions to their subject areas. More than half of Lincoln's research was rated as world-leading or internationally excellent in the latest Research Excellence Framework (2014).

### Opportunities for Experience

Learning aims to go beyond the classroom at Lincoln. You can benefit from hands-on opportunities that include real-world scenarios that enable you to generate new ideas and solve problems creatively.

### Learn from Industry

Lincoln has relationships with companies such as Siemens, opening up opportunities for mentoring and work placements. These opportunities offer advice from professionals, insights into your career and the chance to keep up with future trends.

### Discover Yourself

University is about more than gaining an academic qualification. At Lincoln, you can broaden your horizons by meeting people from around the world and enjoying everything the campus and the city of Lincoln have to offer.

## 96% in employment

96% of Lincoln's **most recent graduates were in work or further study six months** after finishing their course with more than 80% in graduate level roles.

Destinations of Leavers from Higher Education Survey 2016/17.

# Investing in Your Future

## Graduate Careers

Lincoln graduates secure jobs at major companies and organisations around the world. Recent graduate destinations include the BBC, Boots, GlaxoSmithKline, Rolls-Royce, Siemens, PwC and Rockstar Games.

The University of Lincoln's world-class research, teaching excellence and cutting-edge facilities, can enable you to reach your full potential.

## World-leading Research

By pursuing the highest standards of research excellence, Lincoln attracts talented academics and researchers from the UK and abroad. As part of your degree you may have the opportunity to work on innovative research projects that can have a positive impact on society at both a national and global level. Getting involved in research is a great way to gain experience in your subject area and develop skills that are highly valued by employers, such as critical thinking. More than half of Lincoln's research is rated as world-leading or internationally excellent, according to the latest Research Excellence Framework (2014).

## How Research at Lincoln is Changing Our World

- Leading the fight against cancer with 3D imaging technology
- Developing robot intelligence for real-world applications
- Creating new antibiotics to beat drug-resistant infection
- Reclaiming flooded land for farming

## Specialist Facilities

Whichever course you choose to study, you have access to modern facilities that can help you get the most out of your degree. Students on arts-based degrees have access to editing and recording suites, industry-standard production facilities and modern studios, while engineering and computing students can learn in cutting-edge laboratories and workshops.

## Engineering Hub and Isaac Newton Building

The £28 million Isaac Newton Building is home to Lincoln's Schools of Engineering, Computer Science, and Mathematics and Physics. It is the base for the University's growing strategic partnership with Siemens, representing a vibrant hub of academic teaching and learning, pioneering research, and collaboration with international industrial partners.

## Great Central Warehouse Library

Lincoln's library is open 24/7 for most of the academic year. Resources include more than 250,000 printed books and over 400,000 electronic books and journals, as well as databases and specialist collections.

## 7th in UK for student satisfaction

Students rated the University of Lincoln in **7th in the UK for overall student satisfaction.**

National Student Survey 2018.

# Student Life in Lincoln

## Beautiful Setting

Lincoln was named as one of Britain's 20 Best Cities.

The Telegraph 2017.

The University of Lincoln is based on the picturesque Brayford Pool marina, in the heart of Lincoln. A friendly community feel and vibrant city centre make Lincoln a great place to live and study.

Students' Union

Experience old England on Lincoln's cobbled streets

### History and Heritage

Lincoln has a long and fascinating history. Lincoln Cathedral, one of the finest medieval landmarks in Europe, overlooks the city and the recently restored Lincoln Castle has one of only four surviving original copies of the Magna Carta, one of the world's most famous documents.

### Arts and Culture

Lincoln has a rich and diverse arts scene with art galleries and studios open to the public located across the city. You can also join in with a whole range of festivals held throughout the year, such as the Asylum Steampunk Festival and the Lincoln Book Festival.

### Stage and Screen

You can enjoy live comedy, dance, drama and music performances at the Lincoln Performing Arts Centre, located on campus. In Lincoln, you can watch the latest films at the Odeon cinema, while the New Theatre Royal and Lincoln Drill Hall host a range of theatre productions.

### Going Out

Located on campus, the Engine Shed provides fun student club nights, comedy and live music events where you can see a range of artists performing on stage. If you feel like going out in Lincoln, there are numerous pubs, bars and music venues for you to explore.

### Shopping and Food

Lincoln offers a great shopping experience with department stores, independent boutiques and specialist shops in the cobbled streets of the Cathedral Quarter. There is also plenty of choice when eating out, with many restaurants serving Italian, Indian, Chinese, Thai and traditional English food.

### Sports and Leisure

The University's Sports Centre has extensive fitness facilities, including five-a-side football pitches, squash courts and a well-equipped gym with showers and saunas. You can also get involved with more than 130 sports and societies on campus, including surfing, computing, futsal, film, comedy and more.

### The Coast

The Lincolnshire coastline is home to some of the UK's best beaches. Visiting the coast is a great place to try new things and explore more of British culture. You can relax along sandy beaches, try kitesurfing or birdwatching and explore the seaside towns.

# Achieve

Turn your dreams into reality  
at the International Study Centre

**Xenon from Hong Kong**

Studied International Year One in Engineering  
Progressed to BEng (Hons) Mechanical Engineering

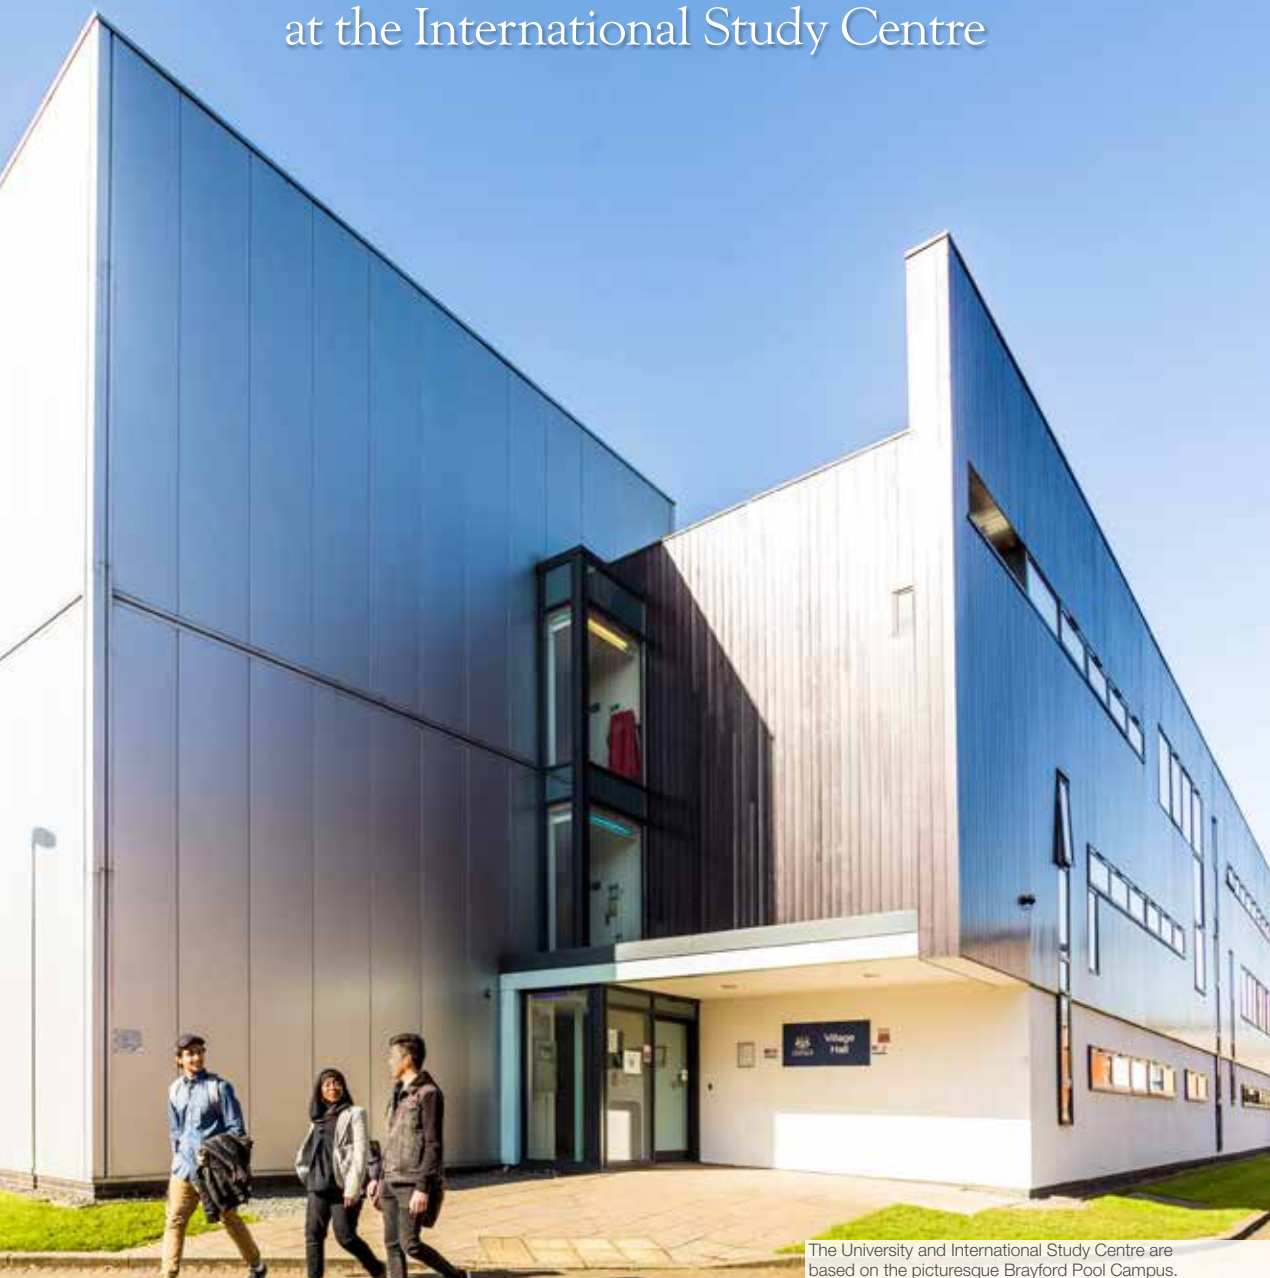

"I am building up my pathway step-by-step,  
like building bricks to a roof. Find a goal, work for it,  
achieve it and you feel success. It's going to be  
difficult, but I have faith in myself."

# Change Your World

at the International Study Centre

The University and International Study Centre are based on the picturesque Brayford Pool Campus.

## Great Location

The International Study Centre is based at the heart of the University of Lincoln's Brayford Pool campus, close to everything the historic city of Lincoln has to offer.

The International Study Centre is here to help you take the first step towards changing your world so that you can achieve success in your degree, career and life.

Brayford Pool

Modern facilities on campus

## Our Courses

At the International Study Centre we teach the **International Foundation Year** and **International Year One** courses to help you prepare for studying an undergraduate degree at the University of Lincoln.

## Skills for Career Success

To help you fulfil your career ambitions once you graduate, the International Study Centre offers a variety of CareerAhead activities designed to give a head start by helping you become a highly skilled, self-aware, confident and employable graduate.

You will develop key employability skills, such as teamwork, problem solving and communication, and familiarise yourself with the world of work. You will also assess your strengths and areas for improvement. With help from the tutors, you will create a personal development plan to help set goals for your future success.

## What Studying at Lincoln Can Offer

- A welcoming learning environment where you can study in small classes with students from around the world.
- Friendly teachers and staff can help you to settle into life in the UK and encourage you to grow in confidence, enabling you to seek new opportunities and enjoy your student experience.
- Students have the opportunity to take an active part in seminars, tutorials and lectures, to prepare you for the style of teaching and learning you will experience at the University.
- Expert tutors assess your work regularly and support you throughout the course to help you progress in your studies.
- You can access the University of Lincoln's modern facilities and student services, including the Sports Centre, Great Central Warehouse Library and the Students' Union.

## Your Pathway to the University

89% of International Study Centre students who completed their course were offered a place to study at the University of Lincoln in 2018.

**Alanna from Venezuela**

Studied International Foundation Year in Engineering and Computing  
Progressed to BSc (Hons) Games Computing

“I’m studying at Lincoln because I want to be a game designer and a game programmer. I would really love to be the kind of person that could create this whole story and reach out to people.”

# International Foundation Year

Get ready to study an undergraduate degree at the University of Lincoln.

## What You Can Learn

This course aims to develop your English language, study and research skills. You will study a combination of core and route-specific modules that focus on the academic area most relevant to your chosen degree.

## Choose Your Subject Route:

- Business and Media
- Engineering and Computing

## Assessment

You will be assessed regularly throughout the course. Assessment methods include coursework assignments, exams, presentations, essays and case studies.

## Your Degree at Lincoln

Once you complete the course and achieve the required grades, you can start the first year of your chosen undergraduate degree at the University of Lincoln.

# Your New Home

Living with other students is a great way to experience a rich student life. As an International Study Centre student you can choose from a range of great accommodation options.

## Options to Suit You

International Study Centre students can live in modern, university-managed accommodation that is located in the heart of Lincoln, just a short walk away from the campus.

Benefits of university-managed accommodation include:

- Modern and comfortable en-suite rooms and studios.
- Studios with their own sleeping area, kitchen and bathroom.

- WiFi available in all rooms and studio facilities.
- On-site facilities, including a launderette and welcoming communal areas where you can relax, watch TV and catch up with your friends.
- Location close to shops, bars and restaurants in Lincoln city centre.

## Privately Arranged Accommodation

If you wish to arrange your own accommodation, private rooms, flats and houses are available in the local area.

# Support for You

The International Study Centre and the University provide a range of student support services to help make your time at Lincoln as successful and enjoyable as possible.

## Support at the International Study Centre

If you have any issues you wish to discuss, or if you just need to talk to someone, student counsellors at the International Study Centre are available to help.

## Advice at the University of Lincoln

- The Student Support Centre provides advice and information on topics such as visas, fees, accommodation and personal issues.

- The Student Wellbeing Centre offers confidential guidance on issues that may affect your study, including disabilities and medical conditions.
- The Health Centre provides healthcare and information for students, including appointments with doctors or nurses.
- The Careers and Employability Team provide career information and support with CVs, job applications and interview techniques.

## More Information

Visit [lincoln.ac.uk/isc](http://lincoln.ac.uk/isc) for more information about support services at the University and the International Study Centre.

# Central Location

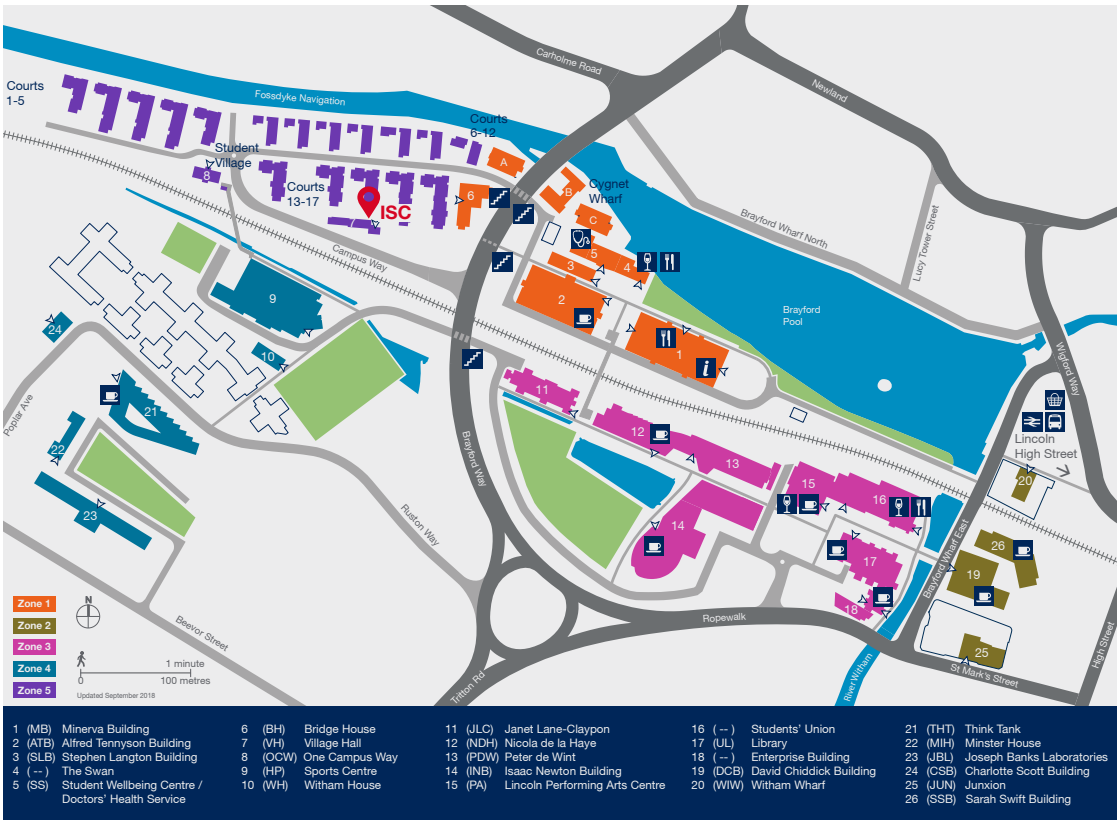

The International Study Centre is situated at the heart of the University of Lincoln's campus, close to everything the historic and dynamic city of Lincoln has to offer.

### Transport Links

Lincoln has good road and rail links with the rest of the UK, with easy access to London, Nottingham, Sheffield, Leeds, Leicester and Hull. The following international airports are within a two-hour journey of Lincoln: East Midlands Airport (Nottingham), Manchester Airport and Birmingham Airport. The journey from London Heathrow Airport to Lincoln can typically take around three hours.

### Your Campus

# Your Application

If you would like to apply to study at the University of Lincoln International Study Centre, you will need to complete an application form and submit the relevant documentation.

You can either apply through your local education agent or directly via our website.

If you are applying directly and have a question, a Student Enrolment Adviser will be happy to help. They speak a variety of languages and understand many more.

**T: +44 (0) 1273 339333**

For more information visit [lincoln.ac.uk/isc](http://lincoln.ac.uk/isc)

### Student Insurance

We strongly recommend that international students have the protection of personal insurance whilst in the UK. To cover you as a student at the International Study Centre, you may wish to purchase our "StudyCare Insurance Plus" insurance cover. This policy will cover you for loss of personal possessions, travel delay, as well as providing medical insurance until the end of your International Study Centre academic programme. You can purchase StudyCare Insurance Plus as part of the application process. If you prefer, you may take out insurance cover with another provider.

For more information, visit [lincoln.ac.uk/isc](http://lincoln.ac.uk/isc)

### Disclaimer

This prospectus is intended as a general guide for students considering entry to the University of Lincoln International Study Centre from 2019.
