**Come and see  
for yourself**

Find out about our  
Open Days on page 90

In this guide to undergraduate degrees at Anglia Ruskin, you'll find out about our wide-ranging portfolio of degrees, our rapid rise up the rankings, our investment in new facilities, and the brilliant achievements of our students and alumni. I hope you'll also gain a sense of the energy and diversity of student life here. But perhaps the most important thing to take away from this snapshot of the University is how your time at Anglia Ruskin will help build your future career.

Our extensive connections with many partners and organisations beyond Anglia Ruskin provide a context that will prepare you for the challenges and opportunities that lie ahead. With award-winning lecturers who possess deep, practical experience in their field, strong industry links and professionally accredited courses, we're focused on providing both an outstanding educational experience and developing your skills, to help you towards a successful and fulfilling career. And, as the 2016 National Student Survey confirmed, you'll have a great time here!

**Welcome to Anglia Ruskin.**

Professor Iain Martin  
**Vice Chancellor**

# City Living

We have campuses in three exciting cities: Cambridge, Chelmsford and Peterborough. We also have a network of partner colleges in London and across the East of England, giving you the option to study for an Anglia Ruskin qualification closer to home.

## Chelmsford

One of the UK's newest cities and home to the annual V Festival in Hylands Park

## Cambridge

the UK's fastest growing city\*

## Peterborough

This attractive cathedral city boasts excellent links to the capital, a thriving cultural scene and picturesque surroundings

**Get closer**  
If you want to find out exactly where we are, go to [anglia.ac.uk/findus](http://anglia.ac.uk/findus)

**Where next?**  
Read on to explore three great campus locations, or head to page 24 and begin looking for a place to live

# Cambridge

## The City

Cambridge is internationally renowned as a centre of learning, and we've been here since 1858, when Cambridge School of Art first opened its doors.

**The city is compact and easy to get around on foot or by bicycle. Or you can stroll down to the River Cam and hire one of the city's famous punts. It's a unique way to sightsee.**

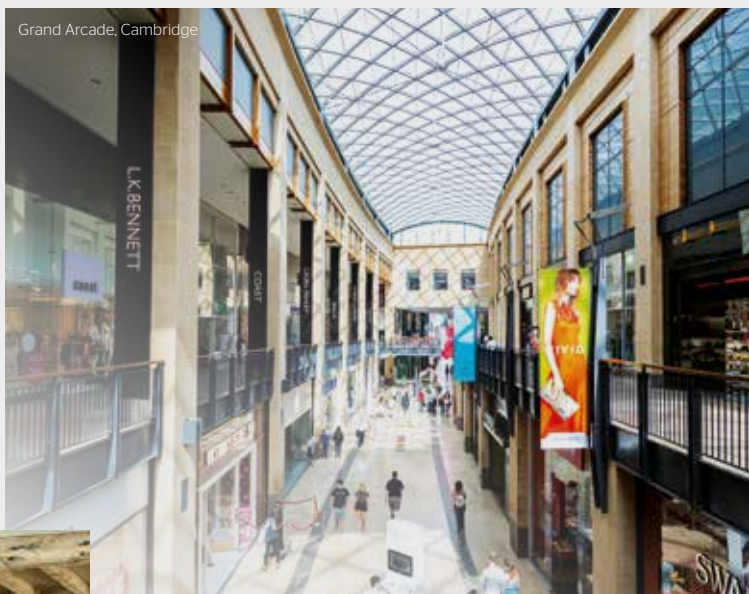

**Take time to explore Cambridge and you'll discover a network of medieval streets and passageways, college courts, gardens, bridges and churches. It's almost as though there are theatres, galleries, craft markets, cafés and bookshops around every corner.**

**For shopaholics, the Grand Arcade in the heart of Cambridge offers a mix of 50 designer and high street retailers. Just a few minutes' walk from our campus is another major shopping complex, the Grafton Centre, which also has an eight-screen cinema.**

Cambridge boasts a vast number of independent shops. The Mill Road area is known for being a hub of indie stores and community events, and King Street - tucked away behind the Grand Arcade - is well worth a look, too.

The Tram Depot, opposite our Cambridge Campus

**Cambridge is home to well-known music venues and clubs, including the Corn Exchange and Cambridge Junction, as well as the Cambridge Arts Theatre and the ADC Theatre, Britain's oldest university playhouse.**

Explore a mix of  
**50**  
 designer and high street retailers in the Grand Arcade

The Corn Exchange, Cambridge

# Cambridge

## The Campus

Our friendly, bustling campus is a five-minute walk from the historic city centre with its vibrant cultural and social scene.

As well as offering internationally renowned arts courses at Cambridge School of Art, we also host students of English language and literature, linguistics, film and television production, a spectrum of science subjects and music.

Get involved in Active Anglia's sports fixtures

Central Courtyard, Cambridge campus

With more than 10,000 students here on a mix of undergraduate, postgraduate, full-time and part-time courses, our Cambridge campus has a personality all its own. About a quarter of our students come from outside the UK giving the campus a truly multicultural flavour.

## Our on-campus facilities include...

- University Eye Clinic providing vision testing and correction to the public
- The Mumford Theatre and Ruskin Gallery with public exhibitions and performances
- Performing arts rehearsal and performance spaces
- New Science Centre opening in 2018 which includes a 300 seat lecture theatre adapted for science and a 200 seat laboratory
- University library and open access computer area
- Forensic science laboratories, complete with a scene-of-crime unit
- Spacious, light art studios in the historic Cambridge School of Art building
- TV, multimedia sound and recording studios and a music therapy centre
- A human energetics sports science laboratory
- A range of services including our Students' Union shop, John Smith's bookshop, medical centre, gym, Employment Bureau

## Cambridge has a vibrant and varied nightlife, and Anglia Ruskin Students' Union hosts two events every week at Cambridge's biggest club, Revolution.

Closer to home, our Students' Union venue, The Academy, set in the heart of our campus, is available for a wide range of events, from quizzes, live music and movies to student-led society events.

Ruskin Gallery, Cambridge

## Take a look inside!

Zap to take a look at our Cambridge campus and check out our facilities, or visit [anglia.ac.uk/cambridge](http://anglia.ac.uk/cambridge)

Cambridge is also home to our Department of Music and Performing Arts, Young Street building, where we train the nurses, midwives and paramedics of the future; and an array of science, psychology, computing and technology courses.

## It's an eclectic mix - and we love it...

# Chelmsford

## The City

With its rich mix of independent stores, recently redeveloped city-centre retail and leisure areas, and loads of restaurants, bars and cafés, Chelmsford is compact enough to explore and enjoy at your leisure. It's also in the top 15 safest places to live in the UK\*.

Just  
**30**  
minutes to London

**The city has a rich history - it was one of the first Roman settlements in Britain and the birthplace of radio.**

Catching up with friends in our Tindal Cafe

**Alongside Chelmsford's bustling high street, existing shopping centres and restaurants, the city has launched two new exciting leisure developments:**

Bond Street is an open-air shopping and leisure hub with a John Lewis department store, 25 new shops and seven riverside restaurants, including Byron Hamburgers, all-day diner Bill's and Brazilian specialist Las Iguanas. Here you'll also find Everyman Chelmsford - a five-screen luxury cinema and an exciting addition to the city's existing Odeon cinema. The dining options continue at Exchange Way - a continental-style piazza that's home to Italian eatery Carluccio's, Caribbean-themed Turtle Bay and French brasserie Côte, among others.

Enjoy live outdoor music events

**If you love the festival scene, you may already know that V Festival comes to Chelmsford every summer! It's held in Hylands Park, one of the city's many green spaces.**

Bond Street, Chelmsford

Exchange Way, Chelmsford

**Don't forget to show your student ID for offers and discounts.**

Chelmsford offers a warm welcome and has a vibrant feel. It's the perfect base to explore Essex and Suffolk, not to mention London, which is just 30 minutes away by train.

# Chelmsford

## The Campus

You'll find our campus just a short stroll from the lively city centre, in Chelmsford's University and Innovation Quarter.

**Alongside striking buildings housing advanced facilities to support our teaching, we also offer plenty of outdoor space, as well as fitness trails that run around and throughout the campus. With more than 6,000 students here, there's a vibrant, multicultural feel.**

We were the first university campus in the country to be included in the prestigious Purple Flag scheme awarded to Chelmsford city. It officially endorses Chelmsford and our campus as safe places for a great night out.

More than  
**6,000**  
students from over  
**100**  
countries

Chelmsford campus

## Take a look inside!

Zap to take a look at our Chelmsford campus and check out our facilities, or visit: [anglia.ac.uk/chelmsford](http://anglia.ac.uk/chelmsford)

## Our on-campus facilities include...

- The Lord Ashcroft International Business School, one of the largest business schools in the eastern region, with a Bloomberg Financial Markets Lab
- High-quality study facilities including lecture theatres, a mock law court, engineering and architecture studios, mock hospital wards and a simulation suite for training in the health professions
- The university library and open-access computer area
- Restaurants, cafés and plenty of outdoor space
- Multi-functional SuperLabs with 80 student workstations
- The MedBIC, a centre to support medical technology businesses that are just starting out
- A range of services including our Students' Union, John Smith's bookshop, medical centre, gym, Employment Bureau, and Finance and Accommodation offices
- The Lounge, our student venue for club nights, live music, comedy, movies and games nights

William Harvey Building,  
Chelmsford campus

Lord Ashcroft Building,  
Chelmsford campus

**As well as training the majority of the region's nurses and midwives, we're also home to students of education, law, engineering, business, architecture, computing and more.**

# Chelmsford School of Medicine

We have a 20 year history as the largest provider of nursing, midwifery and allied health courses in the East of England. To build on our success we're excited to launch our School of Medicine to help address the urgent need for more doctors and healthcare professionals in the UK, and specifically in Essex.

**The School of Medicine is currently under development, and due to open to our first cohort of students in September 2018.**

Subject to GMC approval and allocation of places, our five year Bachelor of Medicine, Bachelor of Surgery degree MBChB, will commence in September 2018, in our new purpose-built school.

ARU School of Medicine (artist impression)

Your training ground will include six Acute Care providers and two tertiary units in Essex; St Andrew's Centre for Plastic Surgery and Burns and the Essex Cardiothoracic Centre.

These will enhance our existing facilities, including the

**£3.4m**

SuperLab we opened in 2015

Superlab, Chelmsford

## Facilities will include

- state-of-the-art skills facilities
- specialist teaching space
- lecture theatre
- cadaveric anatomy suite

**Our vision is to educate and train doctors fit to deliver healthcare in the 21st century as set out in the Lancet Commission for health professional education.**

Gain hands-on experience with industry standard equipment

To find out more visit:  
[anglia.ac.uk/medicine](http://anglia.ac.uk/medicine)

# Peterborough

## The City

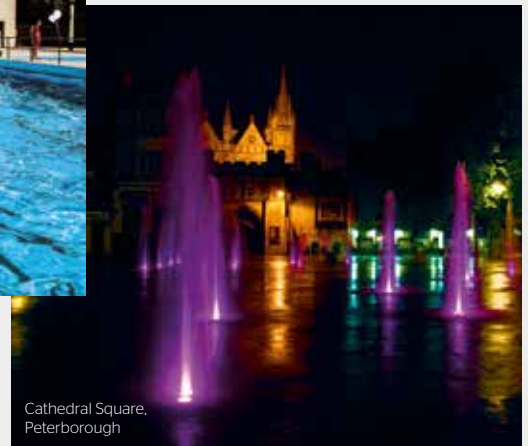

Peterborough has everything you're looking for in a city, only on a more intimate scale.

Peterborough Lido

**The city is home to Flag Fen (a Bronze Age archaeological park), several museums, and the stunning Burghley House. These attractions - together with magnificent parkland to explore, excellent shopping, and easy transport links to London, Cambridge and the North - make Peterborough a great place to live, study and work.**

**Students can access discounted rates on sports facilities such as the famous Peterborough Lido**

Cathedral Square, Peterborough

If you're eager to explore Peterborough's nightlife, there's something happening pretty much every night - from dance and comedy, to music and art. There are three theatres, a cinema and The Embankment, which hosts various al fresco events throughout the year.

**The Peterborough Beer Festival is the biggest under cover real ale event in the UK and offers a huge selection of beers. You'll be spoilt for choice!**

# The Campus

Our Guild House campus opened in 2011. It's a dedicated healthcare site where we train many of the region's nurses, social workers and healthcare professionals.

Studying at Guild House means you'll be part of a compact university community of just under 1,200 students. We offer a range of health-related courses including adult nursing, and we are proud of our superb modern skills lab, complete with nursing equipment designed to mirror a real-life nursing environment.

Experience hands-on training at Guild House

Guild House Library

**We have a focused health library with an extensive digital library, giving you access to databases, e-journals and e-books whenever you need it. Our library has plenty of space for group work and discussion, as well as individual silent study.**

# ARU London

**Founded in 2000, and based in the heart of London's EC1, ARU London offers a range of courses leading to academic and professional qualifications that help our students embark on successful careers in business, management and accountancy. We offer undergraduate and postgraduate degrees in subjects including Business and Human Resource Management, Law, Finance and Accounting, and International Marketing, as well as two MBAs and an MSc in International Project Management.**

**Currently home to 3,000 students from all over the world, our ethos is simple: to provide a top quality business education that's relevant to employers' needs.**

We know that practical skills and real-world experience are valuable to you, so we timetable our classes to give you the chance to undertake part-time work that's relevant to your future career. Our lecturers have first-hand business experience, giving you the knowledge and expertise you'll need to prepare you for your chosen career.

We have a student support team based on-campus to help and advise you confidentially on a range of issues, including studying, accommodation, money, health, welfare and student visas. You can also speak to elected members of the campus Student Council. They're there to help you and represent their fellow students' interests.

ARU London has six floors of outstanding facilities, including high-tech lecture theatres, seminar rooms and study areas that really bring learning to life. Our social spaces include a common room, and games room, but there's a wealth of clubs, bars, restaurants and cafés surrounding our campus for you to meet with fellow students and friends.

Welcome to ARU London. It's a great place to develop your skills whilst experiencing one of the world's greatest capital cities.

For more information, visit [lca.anglia.ac.uk](http://lca.anglia.ac.uk)

# Our partners and associate colleges

To increase your choices and bring the Anglia Ruskin experience even closer to home, we've partnered with centres throughout the East of England.

College of West Anglia, King's Lynn

## College of West Anglia

Our partnership with the College of West Anglia lets you study Anglia Ruskin degree courses in King's Lynn, Wisbech and Milton, on the outskirts of Cambridge.

You'll join about 10,000 students split between these three campuses. If you're interested in studying animal behaviour, computer science, history and English literature, sociology, equine science or veterinary nursing - to name but a few - we're sure there's a course that's right for you.

## University Centre Peterborough

In 2008, we started a joint venture with Peterborough Regional College to create University Centre Peterborough (UCP). It's a £10m facility that offers a broad portfolio of degree courses.

Around 800 students study more than 25 different courses with us at UCP. If you're interested in archaeology, business, computing, construction, education, engineering, media or sociology, you'll find a course here to satisfy your needs.

University Centre Peterborough

For more about our associate colleges, visit [anglia.ac.uk/associatecolleges](http://anglia.ac.uk/associatecolleges)

# Make yourself at home

We want you to be happy in every aspect of your life at Anglia Ruskin, and that includes finding a home that's friendly, comfortable and safe.

## We're here to help

We'll do our best to make your stay at Anglia Ruskin happy and rewarding. Please contact us if there's anything you want to know about university accommodation, or drop into our campus offices.

[anglia.ac.uk/contactaccom](http://anglia.ac.uk/contactaccom)

ARU staff are here to help

# Places in Cambridge

## On-campus accommodation

Living on campus gives you easy access to your lectures, the library, shops and gym. All on-campus accommodation has secure entry and 24/7 on-call assistance, broadband, secure or covered bike storage, and an on-campus self-service laundrette.

Scan the Zappar icons or visit [anglia.ac.uk/accommodation](http://anglia.ac.uk/accommodation) to check out videos of each of our halls

### Peter Taylor House

**Location:** On campus

254 x en-suite single study bedrooms  
Shared kitchen

### Swinhoe Hall

**Location:** On campus

117 x single and 2 x twin rooms, some en-suite  
Shared kitchen

## Off-campus accommodation

CB1 is an exciting new development close to the city centre and Cambridge Leisure Park, with a cinema, bars and restaurants. All accommodation has broadband or wired internet, secure or covered bike storage, a common room and an on-site launderette.

### CB1

(externally managed)

**Location:** CB1

399 x en-suite single study bedrooms and 112 x self-contained studio apartments suitable for couples

### Anastasia House

**Location:** Opposite campus

68 x single study bedrooms, most with en-suite

### The Railyard

(externally managed)

**Location:** CB1

244 x en-suite single study rooms, Smart TV in communal areas

Dining in student halls

## Sedley Court

**Location:** 1 mile from campus

150 x en-suite single study rooms, shared kitchen and living area

## University shared houses

All our houses are within two miles of campus: some are right next door, others an easy walk or cycle ride away. They are in residential areas close to local shops, restaurants, sports centres, cinemas and other amenities

For more information about where to live during your time at Anglia Ruskin, head to

**[anglia.ac.uk/accommodation](http://anglia.ac.uk/accommodation)**

## YMCA

**Location:** 5 minutes' walk from campus

28 x standard rooms and 5 x en-suite rooms, shared shower, toilet and kitchen facilities, communal lounge, coffee bar and gym

# Places in Chelmsford

Student village, Chelmsford

Our Student Village is right next to campus with easy access to shops and our Students' Union Lounge. It's also a ten-minute walk from the vibrant city centre.

Scan the Zappar icons or visit [anglia.ac.uk/accommodation](http://anglia.ac.uk/accommodation) to check out videos of each of our halls

## Student Village

510 x single study bedrooms, most en-suite  
Wired and wireless internet  
Shared kitchen

# Places in Peterborough

Taverners Hall provides purpose-built accommodation for students of University Centre Peterborough and Guild House.

University Court is a complex of two and five bedroom flats, offering a safe environment for students to enjoy university life. The building and location are ideal for first-year students, however, unlike other student halls, you're able to live here throughout your entire course.

All flats offer en-suite bedrooms, free Wi-Fi, laundry facilities and are located close to University Centre Peterborough.

## Going private

**You'll almost certainly be looking for a house or flat to rent at some point while studying with us. It's a great way to be a part of the community and live independently.**

We can help you find a place to live.

We have a range of videos for you, including how to house hunt and a guide to living in rented accommodation. If you're studying in Cambridge, you might find our area guide and videos helpful when looking for a place to live. They will introduce you to the different neighbourhoods in and around the city, so you can decide where to start your search.

Every year, we hold an Accommodation Fair in February or March, which is the perfect time to start looking for a place to live from the following September. We also hold house-hunting events for new students from July to September, and in January each year.

## Students with hospital placements

If your course includes a hospital placement and you're studying nursing, midwifery or operating department practice with us, you have the option to live in NHS accommodation.

Living in NHS accommodation is good value for money and means you'll be close to the hospital.

Find out more at [anglia.ac.uk/hospital-accommodation](https://anglia.ac.uk/hospital-accommodation)

For more information about where to live during your time at Anglia Ruskin, head to

[anglia.ac.uk/accommodation](https://anglia.ac.uk/accommodation)

# Get active

We offer a huge range of activities on and off campus to help you stay fit and engaged with your sporting passion. Whether you're a high-performing athlete, an enthusiast or a spectator, Sport and Active Anglia will have something that's right for you.

We have over

# 30

sports clubs, from cricket and rugby to fencing and ultimate frisbee - all offering great coaching and many competing in British Universities competitions

## Your Union

From your first day to your graduation, the **Anglia Ruskin Students' Union** will be by your side to help you get everything you want from your university experience.

Well known for its social events, the SU organises a variety of themed nights and opportunities to get together, from fashion shows to regular club nights and summer balls. There's something for everyone and it's a great way to socialise and meet new people.

Interested in volunteering? You can make a difference whilst developing your skills. Whether it's a one-off role or a longer-term commitment, it looks good on your CV and is a great way to connect with other passionate people.

And if you want to get more involved, there are opportunities to work for the SU and represent your student family.

# We're here to help

We want your years at Anglia Ruskin to be the best of your life, and for you to leave us with the skills to build a brilliant career.

**Our Student Services Team is available every step of your journey. We'll help you to make the most of your studies with skills coaching and workshops, assist you with budgeting and managing your finances, provide career advice and put you in touch with employers.**

We're here to help with any problems you may encounter during your time at Anglia Ruskin, and to give you the skills and experience that will help you stand out from the crowd when it comes to your career.

To get in touch or find out more, check out [anglia.ac.uk/support](https://anglia.ac.uk/support)

## **icentres**

In the centre of each campus, our friendly icentre teams are on-hand to help with all aspects of student life and make your experience as stress-free as possible. From travel advice to results, hand-ins to ID cards, you'll always get informed and user-friendly advice.

## **Counselling and well-being**

The Counselling and Well-being Service is available to all students at Anglia Ruskin, and offers a free and confidential service to promote mental health and well-being. There are also online support programmes to guide you if you experience stress or anxiety at any time.

## **Personal tutors**

Every student is allocated a personal tutor at the start of their course - your first point of contact for questions about your course or studies.

## **Faculty student advisers**

You will be allocated a student adviser who will guide you through our academic rules and regulations, and can help you to choose modules to tailor your course, where applicable.

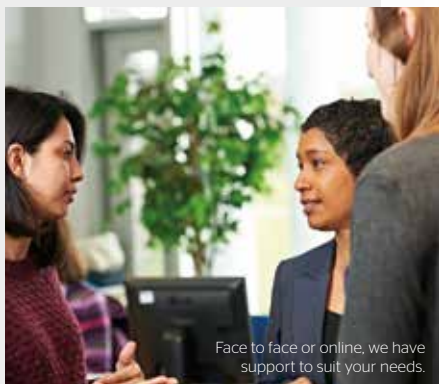

Every student is allocated a **personal tutor**

Support and information is always at your fingertips with our student app.

Visit our website for full information

Face to face or online, we have support to suit your needs.

## Enhance your CV

Become an ambassador or gain part-time work experience at Anglia Ruskin with our Employment Bureau. For more info, head to [anglia.ac.uk/get-involved](http://anglia.ac.uk/get-involved)

### Study Skills Plus

Our Study Skills Plus team can help you get the most out of your academic study. We're here for all students, with information, advice and guidance on researching, writing, referencing, maths and loads more. Time management is another crucial skill, so there's a dedicated Study Skills Plus session covering how to use your time wisely.

### Chaplaincy

Our Chaplaincy is available to all students, irrespective of faith or commitment. It exists to support your learning experience at Anglia Ruskin, including any spiritual and personal issues you may want to discuss in confidence.

### Equality and diversity

We're home to students from over 100 countries and have policies in place to make sure everyone is treated with dignity, courtesy and respect.

### Support for disabled students

Our Study Support Service offers information, advice and specialist support to students with disabilities, including mental health difficulties, ongoing medical conditions and specific learning difficulties, such as dyslexia. We hold regular drop-in sessions for current students, where you can discuss anything with us in confidence.

### International students

Each year we welcome students from all corners of the world and support them through their studies. From our free two-day orientation to our English Language support, we're on-hand to ensure a smooth transition into study in the UK. To see all the ways we can support you, visit: [anglia.ac.uk/internationalstudentsupport](http://anglia.ac.uk/internationalstudentsupport).

# What will you be?

We offer full-time, part-time and distance learning degrees at our three campuses in Chelmsford, Cambridge and Peterborough, as well as at a number of partner institutions. Depending on the course, you may start in January or September. We also offer placement years and foundation degrees, which are standard degrees with an additional foundation year to build up your relevant skills.

Read on to find out more about choosing the right type of course for you, or use the subject index on page 38 to explore the degrees available at Anglia Ruskin.

## Part-time study

Almost a third of our courses are available on a part-time basis, giving you the opportunity to fit your studies around your other commitments. You can continue with your current employment whilst learning the skills and gaining the qualifications that will take you further in your career, or continue your education whilst caring for your family.

You will still enjoy access to all of the help, support and facilities that full-time students receive, working alongside like-minded people who have also chosen to study part-time. Our online resources and 24-hour library mean that whatever your preferred time to study, you will be able to access the materials you need.

A number of our courses are also offered distance learning, meaning you can study entirely from home or your workplace to achieve your qualification.

Marconi Building, Chelmsford

## Placement years

A number of our courses offer a placement year in industry. This gives you a jump-start in your career and the practical experience to enhance your qualifications, making you the ideal candidate for the job you want when you leave.

## Foundation degrees

A foundation degree is ideal if you're unsure about taking a full degree or you want to study while you work. Whether you're working in, or towards a new role, you can gain professional and technical skills to further your career within a shorter time frame than a full degree. It usually takes two years full-time to complete a foundation degree, or longer for part-time students. You can usually continue for a further year to gain a full honours degree.

## Accredited and ▲ approved courses

When choosing a degree, you need to be sure that your course will open doors for you when it comes to starting your career. Where you see this symbol it means the course is approved or accredited by industry, showing the quality and relevance of our teaching and the skills and knowledge you will gain. Full information on accreditation can be found in our online prospectus – just search for the course you're interested in to find out more.

# Allied and Public Health

Pursuing a career in health can change your life, and make a real difference to the lives of others. We work with the NHS and other healthcare providers to make sure that you enjoy an authentic learning experience and are truly prepared for the workplace.

- Business and Healthcare Management
- Healthcare Science
- Leadership and Management in Health and Social Care
- Operating Department Practice
- Osteopathy
- Paramedic Science
- Public Health

Zap to find out what Jessie and Tristan think of their Paramedic Science course, or visit: [anglia.ac.uk/jessieandtristan](http://anglia.ac.uk/jessieandtristan)

For Nursing and Midwifery, see page 70, and for Vision and Hearing Sciences, see page 82

As a future professional and a student within our Faculty of Medical Science, you'll spend a significant amount of time outside the University, engaging in supervised and supported practice. Placements are an important and exciting element of your course, and one of the most satisfying aspects of studying at Anglia Ruskin.

Alongside placements, you'll learn on campus in our extensive purpose built clinical facilities, including simulated skills labs and mock operating theatres.

## The Careers

- Healthcare Manager
- Health Promotion
- Healthcare Scientist
- Operating Department Practitioner
- Osteopath
- Paramedic

**During your Paramedic Science degree, you'll be placed with either East of England Ambulance Service NHS Trust or London Ambulance Service NHS Trust.**

**Our professional courses are accredited by the Health & Care Professions Council, meaning you are eligible to register as a clinical professional when you graduate.**

**hpc** health & care professions council

# 100%

Employability on our BSc (Hons) Healthcare Science within 6 months of students completing their course

# 100%

Student satisfaction on BSc (Hons) Healthcare Science (NSS, 2016)

Osteopathy	BOst (Hons)	Full-time, Part-time	London School of Osteopathy	see website	B309

**We're the largest providers of Paramedic training in the East of England.**

### What now?

For full details about these courses, including entry requirements, modules and assessment methods and available intakes, visit: [anglia.ac.uk/ug/health](http://anglia.ac.uk/ug/health)

# Animal Sciences

From animal behaviour and zoology to marine biology and veterinary nursing, we'll help you develop practical skills and knowledge, and nurture your passion for wildlife and the environment.

- Animal Behaviour
- Marine Biology with Biodiversity and Conservation
- Veterinary Nursing and Applied Animal Behaviour
- Zoology

Zap to see 'A day at the zoo' or, visit:  
[anglia.ac.uk/zoo](http://anglia.ac.uk/zoo)

**Our diverse research activity enriches our teaching, and our researchers are engaged in exciting and innovative projects in collaboration with a range of public and private partners.**

**If you choose our work placement year option, you could have the opportunity to put your knowledge into practice at the Sea Life London Aquarium.**

With overall student satisfaction rates well above the national average (National Student Survey 2016), our highly relevant, hands-on courses will give you plenty of chances to take part in local, national and international field trips and fieldwork. Developed to prepare you for the workplace of today and tomorrow, all our full-time undergraduate courses offer optional placement opportunities.

**All of our undergraduate Cambridge campus-based courses are recognised by the Society of Biology.**

Gain hands-on experience while you study. Through our residential and local field trips you'll develop an understanding of habitat conservation, build identification skills, and gain valuable employment skills. You might experience rutting red deer on the island of Rum; marine biology in Scotland; world-class zoos in the Netherlands; wildlife and ecology in Africa; and diving and marine biology in the Red Sea.

## The Careers

- Animal Behaviourist
- Biologist
- Biology Teacher
- Conservationist
- Education Officer
- Environmental Consultant
- Lab Technician
- Researcher
- Research Assistant
- Veterinary Nurse
- Wildlife Medic
- Zookeeper
- Zoologist

# Architecture, Building and Construction

From our base in Chelmsford, and across our regional partners in the East of England, we offer a wide-ranging portfolio of courses that will help you to lay the foundations of a successful career in the architecture, building and construction industries.

- Architectural Technology
- Architecture
- Building Surveying
- Civil Engineering
- Construction
- Construction Management
- Quantity Surveying

Zap to find out what Nagar thinks of her Architecture course, or visit:

[anglia.ac.uk/nagar](http://anglia.ac.uk/nagar)

Zap to hear Dr Fred Sherratt talk about teaching Construction Management, or visit: [anglia.ac.uk/fredsherratt](http://anglia.ac.uk/fredsherratt)

During your studies, we will encourage you to gain the right work experience and support you with it, as well as offering the option of taking a sandwich-year placement with an industry-relevant partner.

Many of our courses are accredited by industry, so you can be sure that your qualification will be relevant and attractive to employers when you graduate:

- Architects Registration Board (ARB)
- Chartered Institute of Architectural Technologists (CIAT)
- Chartered Institute of Building (CIOB)
- Chartered Institute of Housing (CIH)
- Institution of Civil Engineers (ICE)
- Association for Project Management (APM)
- Institute of Historic Building Conservation (IHBC)
- Royal Institution of Chartered Surveyors (RICS)
- Royal Town Planning Institute (RTPI)
- Institute of Highway Engineers (IHE)
- Chartered Institution of Highways and Transportation (CIHT)
- Institution of Structural Engineers.

## The Careers

- Architect
- Architectural Technologist
- Civil Engineer
- Construction, Project or Site Manager
- Hydrologist
- Project Engineer
- Quantity Surveyor
- Site Manager
- Structural Engineer
- Surveyor

Zap to find out about our Constructionarium, or visit: [anglia.ac.uk/constructionarium](http://anglia.ac.uk/constructionarium)

**Our 'Constructionarium' has been developed with Morgan Sindall to give students hands-on experience of building on-site.**

Inspiring  
Creativity since  
**1858**

Creative industries in the UK are booming and can offer you a wide range of rewarding careers. Starting your journey here with us will ensure you have the theory and practice to achieve your career aspirations, while following your passion.

Built as the original art school in 1909, our historic Ruskin Building remains at the heart of our Cambridge campus. Within it, our blend of traditional and innovative facilities range from 150-year-old printing presses to cutting-edge 3D printers.

Art studio,  
Cambridge campus

Fashion Design,  
Cambridge campus

**Our art studios, designed to maximise light, offer dedicated workspaces for different courses, 3D workshops for wood and metal work, plastic forming, laser cutting and clay moulding, as well as fashion workshops for embroidery and finishing.**

Our illustrious graduates include Pink Floyd's Syd Barrett and Dave Gilmour, Spitting Image creators Peter Fluck and Roger Law, and the creator of St Trinian's, Ronald Searle.

Our expert staff are well-connected with industry, both in Cambridge - which boasts over 1,600 creative companies - and beyond. You'll gain real experience from live briefs, partnerships, specialist workshops and regular masterclasses, all designed to give your career a head start.

Ruskin Gallery,  
Cambridge campus

**1<sup>st</sup>**

**in the UK**

Our Fashion Design course is ranked joint 1st in the UK for satisfaction with teaching. (Guardian University Guide 2017).

Tim Burroughs and  
Tamla Tyrell - BA (Hons)  
Computer Games Art

**The Ruskin Gallery, open to the public, provides our students with the opportunity to showcase their own work and draw inspiration from the work of others. It will give you exposure to the life of a working art gallery.**

# Education

Learning doesn't just happen in the classroom. Our forward-thinking approach will encourage you to actively develop transferable skills that are relevant across all sectors of education.

- Early Childhood Studies
- Education and Childhood Studies
- Education Studies
- Primary Education Studies

Zap to hear Joanne Bowser-Angermann talk about teaching Primary Education Studies, or visit: [anglia.ac.uk/primaryedu](http://anglia.ac.uk/primaryedu)

Practice in our Early Years resource room, Chelmsford

During your time with us, you'll gain an in-depth understanding of learning at all stages of life. Taught by nationally and internationally recognised tutors, you'll focus on the latest knowledge and evidence in your field. You'll build on your skills through exciting placement or volunteering opportunities and field days. Our wide range of facilities include an Early Years Resource and Research Room.

## The Careers

- Childminder
- Early Years Practitioner
- Education Administrator
- Family Support Worker
- Health Play Specialist
- Learning Support
- Nursery Practitioner
- Outreach Worker
- Primary School Teacher (with further training)
- Youth work

Whichever course you choose will help you to develop as a professional within your chosen field, increasing your knowledge, skills and confidence as an education specialist. On graduation, you'll have the grounding that employers seek, built on a winning combination of academic theory and hands-on experience.

# 93%

of students on our BA (Hons) Education Studies think that their communication skills have improved (National Student Survey 2016).

**We work in partnership with local schools to design our courses, so that you leave with the skills you'll need to be an educator of the future.**

The Courses	Award	Mode	Campus	Tariff	UCAS Code
Education and Childhood Studies	BA (Hons)	Full-time	Cambridge, Chelmsford	80	X300

# Engineering

From the buildings we live in and the roads we travel, to the technology we use in our daily lives, engineering is everywhere. Our graduates are highly sought after in a range of typical engineering careers, but this is not the whole story. By developing high-level numerical and problem-solving skills, you'll also open doors to employment in sectors as diverse as IT, finance, business, education and medicine.

- Civil Engineering
- Electronic Engineering
- Integrated Engineering
- Mechanical Engineering
- Medical Engineering
- Medical Technology

Zap to find out how Sheriff plans to use his Civil Engineering degree, or visit:  
[anglia.ac.uk/sherif](http://anglia.ac.uk/sherif)

1<sup>st</sup>

in the UK

Our Electronic Engineering course is ranked 1st in the UK for teaching satisfaction (Guardian University Guide 2017).

Engineering planners at work

Our Mechanical Engineering course is ranked in the top seven in the country (Guardian University Guide 2017), and all our engineering courses reflect the needs of industry, carrying the accreditation necessary to stand out to employers and leading to Incorporated Engineer status.

Recognising the quality of our teaching, our students rank our Civil Engineering, Mechanical Engineering and Electronic Engineering courses in the top 10 for teaching satisfaction (Guardian University Guide 2017).

**Courses accredited by JBM, IET, IMechE or leading to IEng status.**

The Courses	Award	Mode	Campus	Tariff	UCAS Code
Electronic Engineering	▲ BEng (Hons)	Full-time	Cambridge	104	H602, H603 with placement
Civil Engineering	▲ FdSc	Full-time, Part-time	Chelmsford	48	H201
Civil Engineering	▲ BSc (Hons)	Full-time, Part-time	Chelmsford	96	H200, H204 with placement
Civil Engineering	▲ BEng (Hons)	Full-time, Part-time	Chelmsford	104	H202, H203 with placement
Civil Engineering	MEng (Hons)	Full-time	Chelmsford	128	H205

# Finance

In a time of increasing uncertainty in global markets, demand is high for financial and accounting expertise. Recognised by the Association of Chartered Certified Accountants (ACCA), our courses will give you the knowledge, skills and qualifications you need to work in the fast-moving world of finance.

- Accounting and Finance
- Banking and Finance
- Business Management and Finance
- Finance and Accounting
- Finance and Business Analytics

Zap to hear Dr Hassaan Khan talk about teaching Banking and Finance, or visit: [anglia.ac.uk/drkhan](http://anglia.ac.uk/drkhan)

# Take a placement year as part of your course to enhance your graduate employment options.

## The Careers

- Accountant
- Business Analyst
- Data Analyst
- Finance Director
- Project Manager

ACCA grants significant exemptions from the professional exams to graduates of our courses, so you'll be getting your career off to a flying start.

For unparalleled hands-on experience, you'll have access to our Bloomberg Financial Markets Lab. Use the world's leading platform for global business and finance news, data, analytical tools and research to trade and invest using virtual money.

Choosing from courses designed and delivered by our award-winning Lord Ashcroft International Business School, you'll be taught by a team of academics with close links to the accountancy profession, including authors, examiners and markers for international professional bodies. You'll also enjoy contact with expert practitioners, analysts and consultants who will give you insights into current strategic approaches in accounting and financial analysis.

We want to maximise your potential, and through our intern programme around 35 students each year receive a business mentor, work experience, exclusive training and development, and a reference from our Dean.

## The Careers

- District Nurse
- Health Visitor
- Midwife
- Nurse

# 100%

of our Midwifery students found the course intellectually stimulating (National Student Survey 2016).

# 98%

student satisfaction for our BSc (Hons) in Mental Health Nursing (National Student Survey 2016).

## Top 10

We're one of the top 10 universities in the country for Nursing and Midwifery (National Student Survey 2016).

**You'll develop hands-on experience alongside our friendly and well-qualified staff, both in our simulated skills laboratories that mirror real-life UK hospital wards and throughout your time on placement.**

Studying in a creative and energetic environment, you'll be part of a culture with compassion at its heart. We're the only university in the East of England to be fully accredited with the Baby Friendly Certificate of Commitment, ensuring that our midwifery graduates meet the highest level of training in infant feeding set by UNICEF and the World Health Organization (WHO).

Our goal is to produce highly competent and caring healthcare professionals whose mission is to improve the patient experience. Working in close partnership with the NHS, we ensure that your learning experience is as authentic as possible. Our undergraduate courses run hand-in-hand with our clinical facilities to reflect the need for modern practice in the rapidly changing healthcare field.

# Social Sciences and Humanities

Tackle the big questions that have mystified humanity throughout history with our philosophy degree. Learn how politics has changed the world, how people interact, and how the government's social policy can impact on society.

- Criminology and Sociology
- History
- Philosophy
- Philosophy and English Literature
- Politics
- Public Service
- Social Policy
- Sociology

Zap to find out what Tim thinks of his Philosophy and English Literature course, or visit: [anglia.ac.uk/tim](http://anglia.ac.uk/tim)

## The Careers

- Civil Servant
- Communication and media
- Journalist
- Political Activist
- Politician
- Public Services including police and fire service
- Teacher

During your studies, you'll be supported by leading practitioners, so you'll always have access to the latest theoretical and practical knowledge, as well as invaluable career advice. Social sciences subjects can lead to work in roles you may not even have considered, from counsellor to chief executive - or even inventor.

# 1<sup>st</sup>

in the UK

for student satisfaction on our Philosophy degree (Complete University Guide 2017).

# Vision and Hearing Sciences

From audiology to optometry, you'll develop the skills needed to satisfy the needs of today's employers, and embark on the path to professional registration. You'll gain invaluable hands-on experience in our University Eye Clinic and benefit from our world-leading research.

- Hearing Aid Audiology
- Ophthalmic Dispensing
- Ophthalmic Dispensing Assistants
- Optometric Clinical Assistant
- Optometry

Zap to hear Rupal Lovett-Patel talk about teaching Optometry, or visit: [anglia.ac.uk/rupallovettpatel](http://anglia.ac.uk/rupallovettpatel)

For Allied and Public Health, see page 40, and for Nursing and Midwifery, see page 70

## The Careers

- Dispensing Optician
- Hearing Aid Audiologist
- Optometric Clinical Assistant
- Optometrist
- Researcher

We have one of the highest employability rates in the higher education sector, and recent graduates have taken up employment with Boots Opticians, Specsavers, Vision Express, Optical Express, Tesco and independent practices.

We're one of the few universities in the UK to have our own eye clinic which boasts 16 fully-equipped optometric consulting rooms including specialist facilities in contact lenses, low vision and visual stress.

We stock over 350 frames, including standard single vision to varifocals, thinner and lighter lenses and photochromatic lenses that adapt to lighting conditions.

University Eye Clinic, Cambridge campus

**Our BOptom (Hons) Optometry and BSc (Hons) Ophthalmic Dispensing are fully accredited by the General Optical Council (GOC).**

# 3<sup>rd</sup>

Our BOptom (Hons) Optometry and BSc (Hons) and Foundation Ophthalmic Dispensing courses are ranked 3rd in the UK for satisfaction with teaching (Guardian University Guide 2017).

**Our strong links with a variety of organisations in the optical and healthcare sectors include local hospitals and charitable organisations, the Federation of Ophthalmic and Dispensing Opticians (FODO), Specsavers Opticians, Boots Opticians, and the GOC.**

We're a founder member of the European Academy of Optometry and Optics (EAOO), and we're also one of only a handful of universities to offer a fully registrable Foundation Degree in Hearing Aid Audiology, accredited by the Hearing Aid Council. You'll benefit from the knowledge and experience of our clinically trained and registered staff, who are active in research and other professional activities.

▲ Accredited or approved course

# Next steps:

## Entry requirements

We want you to succeed. We have a long tradition of welcoming students from all backgrounds, with a range of qualifications, and then supporting them throughout their studies to reach their potential.

### Here's how it works...

#### **Already studied at higher education level?**

If you have already achieved higher education credits you may be eligible to transfer them and use them towards your qualification with us.

Visit [anglia.ac.uk/apl](http://anglia.ac.uk/apl) to find out more and how to apply

Thrilled with an offer

## Got what it takes?

The table below will help you to work out the grades you'll need to meet our entry requirements, or what your predicted grades equate to in UCAS Points.

### A Level

Grade	Tariff
A*	56
A	48
B	40
C	32
D	24
E	16

### BTEC Extended Diploma

Grade	Tariff
D*D*D*	168
D*D*D	160
D*DD	152
DDD	144
DDM	128
DMM	112
MMM	96
MMP	80

There's also a handy tariff calculator on each of our online course pages to work out what you need: [anglia.ac.uk/ug](http://anglia.ac.uk/ug)

## Don't have the qualifications we've listed?

If you are not able to meet our course entry requirements – but can demonstrate that you have the required skills, knowledge or experience, and would benefit from studying the course – we will consider your application. We may ask you to complete a piece of written work of the required standard, or attend a personal interview.

Some courses include a foundation year, giving you a grounding in your chosen subject, before you progress to the degree level course. Look out for courses that include 'with Foundation Year' in their title, or visit [anglia.ac.uk/foundation](http://anglia.ac.uk/foundation) for a full list

## Standard entry requirements

For an undergraduate degree course we typically ask for at least three GCSEs and two GCE A Levels A-C grade. Each course has a UCAS tariff point requirement as shown in the tables on our subject pages. We also accept a range of different qualifications including BTECs, Access to HE, HNC, HND and the International Baccalaureate. For more details take a look at our online course pages [anglia.ac.uk/ug](http://anglia.ac.uk/ug)

## Subject requirements

We do not generally accept AS Levels in the calculation of tariffs, but do accept A Level General Studies towards most courses. For specific entry requirements for your chosen course, including any extra requirements including interviews or portfolios, head online to our course pages [anglia.ac.uk/ug](http://anglia.ac.uk/ug)

## International students

For students applying from outside of the UK and EU, you can find out if your qualifications meet our entry requirements by visiting [anglia.ac.uk/mycountry](http://anglia.ac.uk/mycountry) and selecting your country from the list. If your country is not listed, email us at [internationaladmissions@anglia.ac.uk](mailto:internationaladmissions@anglia.ac.uk) and we will be able to advise you.

In addition to the standard entry requirements, students applying from outside of the UK and EU will need to demonstrate English language proficiency to at least IELTS 6.0 with nothing lower than 5.5 in any of the four elements (listening, speaking, reading and writing). Some of our courses may have higher English language proficiency requirements; for specific details and exceptions regarding IELTS, please visit your chosen course page.

We also offer our own English Language Proficiency Test to give you the opportunity to show proof of your language level if required. Visit [anglia.ac.uk/internationaladmissions](http://anglia.ac.uk/internationaladmissions) for further information.

## What next?

For more information about our entry criteria, visit [anglia.ac.uk/ugadmissions](http://anglia.ac.uk/ugadmissions)

# Ready to apply?

Whether you're a UK student or coming to us from overseas, we have a simple application process to follow. You'll find all the information you need here and on our website. If you have any questions we have experts on-hand to help you every step of the way.

## Full-time courses

Your first step is to check the start dates available for your course by visiting [anglia.ac.uk/ug](http://anglia.ac.uk/ug)

If you want to study a full-time undergraduate course at any UK university or college, you need to apply through UCAS. Go to [ucas.com](http://ucas.com) to use their online application system.

If you're applying to start in the 2018 academic year, the application fee is £13 to apply for one course or £24 for multiple courses (and late applications).

## Part-time courses

If you want to study part-time, you can apply to us direct online. Just visit the course page you're interested in at [anglia.ac.uk/ug](http://anglia.ac.uk/ug) and click the yellow 'Apply online' button at the top right of the page.

## Mature students

If you're a mature student or don't meet the standard academic entry requirements, contact us to discuss your options at [admissions@anglia.ac.uk](mailto:admissions@anglia.ac.uk). We can help you with your application and guide you on the evidence you'll need to supply.

## International students

If you're applying from outside of the UK or EU, you will need to apply online by visiting the course page at [anglia.ac.uk/ug](http://anglia.ac.uk/ug) and clicking 'International students, apply online' on the top right of the page. For more information on how to apply, visit: [anglia.ac.uk/international/how-to-apply](http://anglia.ac.uk/international/how-to-apply)

## When to apply

UCAS begin accepting applications for 2018 entry in early September 2017. We recommend that you get your application to UCAS before 15 January 2018, as applications received after this date cannot be guaranteed equal consideration

## Are you outside the UK/EU?

Visit: [anglia.ac.uk/international/how-to-apply](http://anglia.ac.uk/international/how-to-apply)

## Our UCAS code

The institution code for Anglia Ruskin is A60 and the institution code name is ARU. Please ensure that you also use the correct campus code:

# C

Cambridge  
campus

# A

Chelmsford  
campus

# 5

Peterborough  
Guild House

## Courses at partners and associate colleges

Our partners and associate colleges have their own institution codes that you will need to make your application through UCAS.

# L63

ARU  
London

# P56

University  
Centre  
Peterborough

# W35

The College of  
West Anglia

## Any questions?

Useful information about how to apply, including full instructions for completing your online application, can be found on the UCAS website [ucas.com](https://ucas.com)

If you need more information or advice, you can contact the UCAS Customer Service Unit, open Monday to Friday, 9.15am-6pm (UK-time) on 0871 468 0468, or +44 330 333 230 if you're outside the UK.

If you're a part-time or mature student and have questions about making your application, call us on +44 (0)1245 686868 or email us at [answers@anglia.ac.uk](mailto:answers@anglia.ac.uk), and we'll be happy to help you.

For international student enquiries please call +44 1245 683680 or email [internationaladmissions@anglia.ac.uk](mailto:internationaladmissions@anglia.ac.uk)

Need help with your  
personal statement? Visit:

[anglia.ac.uk/  
personalstatement](https://anglia.ac.uk/personalstatement)

## Need more information?

You'll find a comprehensive online guide to university life at [anglia.ac.uk/uniguide](https://anglia.ac.uk/uniguide)

# How much will it cost?

Before you embark on an undergraduate degree, you need to know how much it's likely to cost. You'll find a wealth of financial information and advice on our website, but here are the key facts and figures.

## Full-time UK and EU undergraduate fees 2018-2019

As a UK or EU undergraduate student, the tuition fees payable for your course are subject to the cap imposed by the UK government. We set our tuition fees annually for UK and EU undergraduate students taking account of that cap. Our undergraduate fees for 2018-2019 are still to be confirmed, but as a guide the cap for the 2017-2018 academic year was £9,250.

The cap is expected to increase in future years by an inflationary amount which will be determined each year by the UK government. Your tuition fees for future academic years may therefore be higher than the current cap of £9,250. The fees charged to you for the subsequent years of your course will not increase beyond the maximum amount that the government allows us to charge UK and EU undergraduate

students for the academic year, to which the increase relates. Your tuition fees may therefore increase in each academic year in line with any increase in the cap.

For example (illustrative only), if the government increases the cap to £9,500 for the 2018-2019 academic year, you will not be charged any more than that increased cap figure for that academic year.

Any annual rise in tuition fees as a result of the cap being increased, or change to undergraduate fees for EU students as a result of the UK leaving the European Union (Brexit), will be notified to you before the start of the academic year to which the change applies.

For full information on course fees, and to see our 2018-2019 fees when they are confirmed, please visit [anglia.ac.uk/fees](http://anglia.ac.uk/fees)

## International tuition fees and scholarships

For more information about international fees, University scholarships and other ways of funding your course, head to [anglia.ac.uk/international/fees](http://anglia.ac.uk/international/fees)

## Part-time students

You will be able to apply for a tuition fee loan if you are studying more than a quarter (25% intensity) of a full-time course each year. Your tuition fee will depend on the intensity of your course. So if you're studying half a full-time course each year (50% intensity), you will pay half of the full-time course fee each year for six years, rather than the usual three.

## Additional study costs

As well as your tuition fees, there will be certain course-specific costs. Additional course costs can be found on the individual online course pages at [anglia.ac.uk/ug](http://anglia.ac.uk/ug)

## Loans and financial support

### Government loans

You don't have to pay for your course upfront. Currently, if you are from the UK or EU and you're applying to university for the first time, you can apply for a government loan to pay your tuition fees. Visit the Student Finance England website: [gov.uk/student-finance](http://gov.uk/student-finance)

The money is paid directly to us every semester and you won't have to repay anything until the April after you graduate. Even then, you will only pay 9% of any earnings over £21,000 a year. If you would rather not take out a loan, you can pay your tuition fees directly to us.

The UK government is yet to confirm whether EU students starting a course in 2018-2019 will continue to be eligible for UK government loans for the duration of your course if the UK exits the EU over that period. With this in mind, if you are an EU student, we recommend that you also research the financial support options available from your home country.

### Government loans

You will only repay 9% of any earnings over

# £21,000

a year.

### Living costs

You could receive support to help pay for your living costs while you are studying. Most students are eligible for some support, but the amount of bursary or loan you receive depends on your personal circumstances.

Accommodation, food and travel are all included in your living costs. You can apply for a loan to help with these but it's also worth looking into part-time work and other funding, such as scholarships. If your household income is £25,000 or less, you will be eligible for a non-repayable £200 cash bursary from ARU to help support your studies (pro-rata for part-time students). For more details, head to [anglia.ac.uk/livingcosts](http://anglia.ac.uk/livingcosts)

### Other forms of support

If you get funding from Student Finance England, you may be able to apply for additional grants and allowances, some of which are income assessed. To find out more about funding and grants, including how to apply and repay, visit: [practitioners.slc.co.uk](http://practitioners.slc.co.uk)

### Books Plus

We are committed to supporting new students who are keen to succeed in their studies. We offer eligible students up to £400 each year to help with study-related costs through our scheme, Books Plus. For more information on this, visit: [anglia.ac.uk/booksplus](http://anglia.ac.uk/booksplus)

### Sports scholarships

We offer the opportunity to apply for a sports scholarship worth up to £1,000 for three years. Each award is tailored to suit individual needs and combines high-quality services to support your performance, plus fantastic facilities that will add value to your existing training programme. Find out more and apply at [anglia.ac.uk/sports-scholarships](http://anglia.ac.uk/sports-scholarships)

## We offer

# £400

to eligible students to help with study related costs through our Books Plus Scheme

# See for yourself

Our Open Days are the best way to decide if Anglia Ruskin is the university for you. Explore the campus, take a closer look at our facilities and, above all, meet the fantastic people who study and work here.

## So much to see

From lecture theatres and labs to our halls of residence and sports facilities, we'll give you a full tour. It's your day and there'll be plenty of people on-hand to show you around and answer your questions. Feel free to prepare a list of questions in advance and we look forward to meeting you soon.

Find out more and book a place on our Cambridge, Chelmsford or Peterborough Open Days at [anglia.ac.uk/opendays](http://anglia.ac.uk/opendays) or by calling us on **01245 68 68 68**

## Can't wait?

Take a look around now using our virtual open day: [anglia.ac.uk/virtualopenday](http://anglia.ac.uk/virtualopenday)

## Things to dip into at the Open Day...

- **Get an introduction to ARU:** we'll give you a brief overview of Anglia Ruskin and tell you more about the things you can see and do.
- **Meet our academics:** find out about the courses that interest you and meet the people who teach them, to get a real sense of what we offer.
- **Attend advice sessions:** want to know more about finance, your applications, or career opportunities? We'll be giving talks about these and many other topics on the day.
- **Visit our student accommodation:** tour our student residences and talk to our Residential Services team about where you can live.
- **Check out the Students' Union:** the SU is at the heart of student life. Find out about its many clubs, societies, events and support services.
- **Take a guided campus tour:** see the landmarks and soak up the atmosphere as you walk around the campus.
- **Meet our students:** talk to our Student Ambassadors and find out about studying at Anglia Ruskin from the people who know best.
- **Talk to our staff:** all of our teams, from Admissions and Student Finance to Library and Welfare, will be here to say hello and answer your questions.

# Get in touch

Our website contains all the information you need to decide whether Anglia Ruskin is the right place for you. Search our online course catalogue for full course information, including accreditation, modules and assessment methods, entry requirements and fees. You can even take a virtual tour of our campuses. It's all at your fingertips at [anglia.ac.uk/ug](http://anglia.ac.uk/ug)

## Want to speak to someone?

If you've got a general enquiry, you can call us from the UK or overseas on the following numbers:

UK: 01245 686868

Overseas: +44 1245 686868

Or complete our contact form at [anglia.ac.uk/contact](http://anglia.ac.uk/contact)

Our enquiry team are available Monday to Thursday, 8.30am to 5pm Friday 8.30am to 4.30pm (UK-time).

### Cambridge campus

East Road  
Cambridge CB1 1PT

### Chelmsford campus

# Terms and Conditions

Anglia Ruskin University holds/processes personal data and sensitive personal data on all applicants and enrolled students in computer and paper-based administrative systems. All such data is held/processed in accordance with the provisions of the Data Protection Act 1998.

For further information on the holding and processing of personal data please view our Privacy Policy at [anglia.ac.uk/privacy](http://anglia.ac.uk/privacy)

## Notice to potential students

Anglia Ruskin University Higher Education Corporation is an exempt charity. Registered Office: Bishop Hall Lane, Chelmsford, Essex CM1 1SQ.

This prospectus describes the courses and awards offered by Anglia Ruskin University. Anglia Ruskin University's online prospectus contains further information about each course and any updates. The online prospectus can be viewed here:

[anglia.ac.uk/ug](http://anglia.ac.uk/ug)

Should you become a student of Anglia Ruskin University, you will receive additional documents detailing the teaching, examination, assessment, and other education services offered by Anglia Ruskin University. In particular, you will be invited to be bound by the Rules, Regulations and Procedures for Students, a copy of which can be obtained from the Secretary & Clerks Office or at

[anglia.ac.uk/keydocuments](http://anglia.ac.uk/keydocuments)

## Before you apply to Anglia Ruskin University

Anglia Ruskin University endeavours to take all reasonable steps to provide the education services in the manner set out in this prospectus and in those additional documents. It does not, however, guarantee the provision of such services. Should industrial action or other events beyond the control of Anglia Ruskin University interfere with its ability to provide education services, Anglia Ruskin University undertakes to use all reasonable endeavours to minimise the resulting disruption to those services.

Should you become a student at Anglia Ruskin University, an offer letter will be sent to you and this shall constitute a term of any contract between you and Anglia Ruskin University. Any offer of a place made to you by Anglia Ruskin University is made on the basis that in accepting such an offer you signify your consent and agreement to abide by the Rules Regulations and Procedures for Students as a term of any such contract. All course information in this prospectus is correct at time of going to print. Considerable care has been taken in the preparation of this prospectus to ensure its accuracy at the time of going to press.

If, however, you feel that it is inaccurate or misleading, you should write, stating the detail of your complaint, to: The Secretary and Clerk to the University, Anglia Ruskin University, Bishop Hall Lane, Chelmsford, Essex CM1 1SQ.

Printed on Galerie Art Silk. The paper is independently certified according to the rules of the Forestry Stewardship Council® (FSC®). The manufacturing mill holds the ISO 14001 environmental certification and the EU Eco-label (EMAS).
