

# TAKE CONTROL OF YOUR FUTURE AT MISSOURI STATE UNIVERSITY

[international.missouristate.edu/services](https://international.missouristate.edu/services)

Missouri State University's commitment to high-impact learning encourages students (you) to take charge of your future. Our welcoming campus community creates an environment where meaningful academic interactions have practical applications in the classroom and throughout your professional career.

## JOIN OUR INTERNATIONAL COMMUNITY

From the moment you're greeted at the airport by our International Welcome Crew, you'll be part of our #InternationalBears family. Our International Services staff provides assistance from orientation to ongoing immigration support. You'll find lots of ways to get involved on campus and find your place in our university community.

## GRADUATE ADMISSION CRITERIA

- Completion of bachelor's degree with 3.00/4.00 GPA
- GRE for most graduate programs, GMAT for MBA and MAcc
- Adequate financial support documents for one year of study
- Online application and \$50 application fee

## GRADUATE STUDENT
