For both General English and importantly for examination courses, specific entry dates are preferred as detailed below. Any student seeking to take an examination should specifically book that exam with MLS as automatic enrolment on course booking will not take place. Separate examination entry forms must be completed and fees paid before examination application deadlines. Please see our Examination fees and enrolment form sheet for further details.

General English Examination Dates

For examination dates and conditions – please see the MLS Examinations dates sheet.

Please note examinations may be available at a centre in Bournemouth or, where necessary and subject to availability, at another UK centre.

General English and Examination Preparation Courses - Preferred Start Dates

Note — Preferred start dates are the expected start of a level course, each of which typically lasts 12 weeks. Students not joining on a preferred entry date will join levels post start and will be placed at the most appropriate level.

^{**} Students booking these courses will be required to take a pre-assessment to ensure they meet course entry requirements. Where students arrive onto examination courses and on arrival assessment or class performance shows it is unlikely a student will be in a position to pass an examination, an alternative examination course may be offered.
