

Niagara

#1 THE NUMBER ONE COLLEGE
FOR STUDENT SATISFACTION

International
Undergraduate &
Postgraduate Studies

**Niagara
College
Canada**

APPLIED DREAMS.

Horseshoe Falls, Niagara Falls, Canada

Niagara-on-the-Lake Campus

When you're considering what college to attend, consider this:

Out of the 24 Colleges in Ontario, Niagara College Canada (NC) has been voted #1 in Student Satisfaction for Eight Years!

That means that every member of our faculty, administration, and support staff is deeply committed to every student's success, especially yours.

“

NC PROVIDES THE ATMOSPHERE WHERE STUDENTS CAN GROW, LEARN AND PREPARE FOR NORTH AMERICAN LIFE. It gives students research opportunities and encourages them to try new experiences. These are essential learning skills, ones making school life at Niagara so much more than its classes.

HASAN OZYAMAN (TURKEY)

Follow Your Dream

Founded over 45 years ago, Niagara College Canada has become Canada's fastest growing community college. Every year more than 10,000 full-time students, including over 1,000 international students from 70 countries begin their dreams in our state-of-the-art facilities.

Located a heartbeat away from the world-famous Niagara Falls, there are two campuses, one in Niagara-on-the-Lake and the other down the road in Welland. The Niagara-on-the-Lake Campus has its Teaching Winery vineyards nestled up against the Niagara Escarpment, which has been designated by the United Nations as a World Biosphere reserve. The Welland campus, which recently underwent a \$90 million modernization, sits on 100 acres of green space in a friendly community.

NC is proud of being one of the most famous Tourism, Hospitality, Culinary and Business Management schools in Canada. With over 100 outstanding and relevant one to four year programs – including an innovative Bachelor of Business in both International Commerce/Global Development and Hospitality Operations Management disciplines – **Niagara College is committed to bringing your dreams to life.**

How many times have you heard friends or relatives say of their post-secondary education, “I’ve got a degree, but it didn’t really prepare me for a career.” At NC, you’ll be working toward your career from the moment you arrive. Our industry-leading co-op work components have a 98% placement rate with some of the most important international corporations in Canada. Through these, you will be able to

put into practice what you’re learning in class and sharpen your talent even further. Essentially, we guarantee that before you leave the college, you will have the experience and skills you need in your chosen field. It doesn’t get any better than that.

During your studies at NC, you’ll get to know your professors on a first-name basis. In part because the classroom sizes are intimate, but also because they are committed to applied education instruction: Our unique learning enterprises, including Canada’s only commercial, award-winning Winery, Dining Room, Brewery, Spa, and Greenhouse, have transformed the way our students learn.

NC is also a firm believer that students form an integral part of the world’s research initiatives. Through our research department, they will have an opportunity to tackle real world problems and solve them through creativity and scientific excellence. All of which are essential components of workplace excellence.

Remember, it’s all about Student Success – your success. So, whether you’re beginning the journey, negotiating a change in direction, or building on the credentials you already have, **Niagara College Canada is the perfect place to follow your dreams.**

The Revitalized Welland Campus

1 / Niagara Wine Country

2 / Sailing on Lake Erie

3 / The world famous Shaw Festival, in Niagara-on-the-Lake

4 / The Falls are a great place for a stroll

I REALLY LIKE MY LIFE HERE IN NIAGARA. The climate here is quite pleasant and there is a lot to do; the Falls, the vineyards and wineries are must-sees for anybody. It's also much safer and cheaper than big cities like Toronto. In essence, it's a great place to study: fun when you want it to be, but quiet enough so that you can achieve your academic goals."

LARISSA DO CARMO (BRAZIL)
Bachelor of Applied Business -
Hospitality Operations
Management

5 / Winter fun!

7 / Beautiful Canadian winters

12 / Atop the Escarpment

11 / Relaxing on the shore at Niagara-on-the-Lake

9 / Toronto is just across Lake Ontario

8 / Clifton Hill in Niagara Falls

A World of Wonders

The Niagara Region, home to Niagara College, is a proud multicultural centre of 430,000 residents where 20% speak a second language. It's the perfect setting to discover your place in the world.

Niagara College is located next to one of the world's natural wonders, Niagara Falls, a place where over 15 million come and visit every year. The falls were formed at the end of the last ice age when the glaciers melted. The water forming the Great Lakes carved a path through the Escarpment on their way to the Atlantic Ocean. More than 160,000 cubic meters of water falls every minute in an incredible display of natural beauty.

As is often the case with tourist hot spots, a great number of natural attractions seemingly go unnoticed. With nearby Lake Ontario and Lake Erie, threaded together by the magnificent Niagara River, it's possible for you to enjoy the beach on Lake Erie in the morning, have lunch beside the Falls and pass through pristine vineyards on your way to spending the evening in the English Colonial town of Niagara-on-the-Lake.

Sitting in the heart of this natural wonder, Niagara College has something for everybody. It offers easy access to the region's wide range of shopping and entertainment, excellent golf courses, amateur and professional sport, sightseeing, cycling and hiking routes, and several festivals that occur throughout the year.

We're proud of our "small-town" atmosphere and friendliness, nestled among the region's historic towns and hamlets. And, we're equally proud of being at the centre of one of the most populated areas of North America—where ten million people live within a two-hour drive of Niagara College.

It's the perfect place for you to discover your place in the world. 

 A young man and woman are smiling and looking at a book together in a hallway. The man is on the left, wearing a white shirt and a black backpack. The woman is on the right, wearing a beige ruffled blouse and a necklace with red and yellow beads. They are both looking at a book held by the man.

I WAS AMAZED WITH THE CULTURAL DIVERSITY. Even more, I was amazed how all the people - students, teachers, staff - came over and made you feel instantly at home. The people you meet here are kind, positive, and warm hearted. I am extremely glad I came here to study.

Living in Niagara

New country, new friends, new school, and new opportunities. Starting college in a new country can be really exciting, but also a little scary... With caring staff and excellent facilities, Niagara College goes out of its way to welcome you.

Vibrant, Modern Campuses

When it comes to state-of-the-art learning facilities and cutting-edge programming, Niagara College has more to celebrate than ever.

At the Welland campus, an \$80-million transformation added six new buildings to the property. The \$40-million Applied Health Institute boasts leading edge labs and classroom spaces, a community wellness clinic, a dental clinic, and a 400-seat auditorium. Our college-pro standard athletic centre is a big leap forward for our sports and fitness facilities complete with a double varsity-sized gymnasium and 1,000-seat bleacher seating. An expanded technology centre offers 70,000 square feet of educational space to engineering students. On the Niagara-on-the-Lake campus, NC opened the Wine Visitor & Education Centre, expanded the culinary facilities, and launched Canada's first Teaching Brewery.

LIVING ARRANGEMENTS

Homestay

Sometimes the best way to introduce yourself to a new country is to experience it through the warmth of a family home. We believe that your homestay family is as important to your experience as your classes. For this reason, the international housing coordinator carefully

selects each family to match your needs, ensuring you will have a comfortable and enjoyable stay. The monthly fee includes three meals a day, your own fully furnished private room and study area, and access to the entire house.

On Campus Residence

NC's Residence Suites are designed for those students who want to experience living among other students, yet still wish to maintain a little privacy. The spacious residences at the Welland Campus offer 117 double suites while the Niagara-on-the-Lake Campus offers 101 double suites, all with kitchenette, bathroom, and light housekeeping duties. The best feature is that they are steps away from classes and campus facilities.

Off Campus

Prefer to live off campus? No problem. We can help in your search for a place with our online housing boards. Many great accommodations are within a very short walk of the campus. **Which brings us back to the advantage of learning in Niagara: affordable, safe, quality housing within 30 minutes of the college – all part of our Niagara charm.**

“

**MY POSTGRADUATE PROGRAM
HELPED LAUNCH MY CAREER.**

It expanded on the knowledge I gained from my university degree, and I was able to apply my background as a geologist in a completely new manner. The internship also opened doors: I got the professional experience that led directly to a job offer.

Studying in Niagara

Wherever you want to go, Niagara College will help you get there.

Designed to stimulate, Niagara College offers exciting, fast-paced programs guaranteed to help you master your chosen field. Featuring 100 bachelor's degrees, diploma, and postgraduate programs, education at Niagara is guaranteed to help you find both your place within the global economy and how to succeed in it.

Undergraduate Programs

Our innovative one, two, three, and four-year programs focus on both education and Canadian work experience. The small class size and friendly first-name basis with your professors help you get ahead on your terms without losing sight of today's competitive needs. **This means that when you graduate, you will not only have an excellent education but also the practical skills to help you succeed. It doesn't get any better than that.**

Postgraduate Programs

Niagara College's postgraduate programs are geared to help you master skills that will lead to employment. They are one-year programs designed for people who already have an advanced diploma or university degree. Most have internship incorporated, meaning that you will graduate ready for the workforce and have the on the job experience to prove it.

Educational Pathways

Another example of NC's innovative nature is our Educational Pathways programs. With over 40 agreements in place, it should not come as a surprise that Niagara graduates have the opportunity to continue their studies in some of the world's leading institutions. Among the most popular are the possibilities to get advanced standing for leading universities and MBAs.

Scholarships

Niagara College is committed to providing as much support as possible to enable academic success. Many members of our community have recognized the unique challenges that international students experience, and have generously donated scholarships to assist and celebrate their achievement. The scholarships available through these donations are offered for academic performance, financial need, and volunteerism.

“

I LOVE THE WAY THE PROFESSORS AND STAFF ARE ALWAYS THERE TO SOLVE PROBLEMS. From upcoming assignments, visa and work permits, to job placement issues, everybody is always ready to lend a helping hand. Any challenges I've ever had have been resolved quickly and efficiently.

PATRITSYA DRAKE (KAZAKHSTAN)

Bachelor of Applied Business
(International Commerce &
Global Development)

Working in Niagara

Working in Canada can be more than a dream. Not only does Niagara College enjoy one of the highest graduate placement rates in Canada, but NC's dedicated staff will help make your transition into the Canadian workforce a reality. Recent studies by the Canadian government rate employer satisfaction with Niagara Graduates at 93% – no wonder that thousands of Niagara graduates work for thousands of companies across Canada.

Canadian Opportunities

At present, the Canadian government allows the following work options for international students:

Co-operative Education (Co-op)

Co-op means paid work experience, and many of our programs deliver four to eight months of paid work experience. In practice, their 98% placement rate means Niagara is one of Canada's leaders in Co-op education.

Internship and Practicum

Many of our programs contain internship and practicum positions. These short-term, program-related openings will allow you to develop specific skills within professional work settings.

On-Campus and Off-Campus Work

You will be able to work on-campus while you are studying. After completing six months of study, you will be entitled to apply for an off-campus work visa which allows you to work 20 hours during the school year and full-time during the vacations.

Postgraduate Work

Upon completion of your program, you may be able to work in Canada for up to three years. The abilities you develop during these years will give you the opportunity to combine Canadian work experience with your education helping you launch your career and turning you into a global player.

Job Centre and Visa Support

The Job Centre offers Co-op Education and Graduate Services. Students and graduates are encouraged to take advantage of a wide range of on-line and on-campus job search assistance.

- FREE access to summer job leads and on-line job postings in Niagara
- FREE help in your search for a summer job
- FREE assistance with résumé and cover letter writing
- Resource areas with access to phone, fax and internet
- FREE Work Visa Application support

Practical Information

Our aim is to help you prepare for your future. The Niagara College service staff take that extra step to make sure your student life will always mean achievement. We welcome new students every year and we're proud to help them achieve their dreams.

Student Success Center

Our job is to ensure student success. Niagara College has the qualified staff and tools to help every step of the way.

Free resources include:

- Peer tutoring
- Counseling (budgeting, stress management, crisis and academic counseling)
- Test centers and testing accommodations
- Tax services
- Health services

Visa and Immigration Support

Niagara College offers full visa and Immigration support once in Canada. This includes all aspects of student visa applications such as entry visas, study and work permits, and visa extensions for students of Niagara College. Additionally, thanks to our proximity to the US/Canadian border, Immigration Canada and visa specialists from the American Consulate General (US) regularly visit our campuses in order to explain the application processes firsthand.

Global Connections

This program connects Canadian students with International students in a partnership to promote learning from one another. The goal of Global Connections is to introduce students to a cross-cultural experience to the end that each connection between an International and Canadian Student is a positive, valuable and mutually beneficial interaction.

- Help improve your language skills
- Feel more integrated into Niagara College life
- Experience Canadian hospitality and friendship
- Allows you to share cultural celebrations, food, music, pictures, etc.
- Provides you with a better understanding of Canadian culture, traditions and values within diverse global context

English as a Second Language

Should you need English upgrading, Niagara offers a full English as a Second Language program. Students who successfully complete our program do not require any formal English exam to enter our academic undergraduate or graduate studies.

HOW TO APPLY

Complete the Application Form for International Students and send to Niagara College, International Department by fax, email, courier or apply online at international.niagaracollege.ca/apply

1. With your application form, submit a copy of your high school graduation transcript for undergraduate programs and a college or university transcript for graduate programs. If you are currently in your graduation year, an interim list of grades is acceptable until the final graduation grades are submitted.
2. For direct admission into a college undergraduate or graduate program, send proof of English language proficiency, if English is your second language.
3. Send a non-refundable \$100 Canadian application fee with this form if you are applying for post-secondary programs. Make drafts payable to Niagara College.

No application fee is required for the ESL program.

4. Once we receive your application we will process it and, if you are accepted, we will send you an Acceptance Package including a Letter of Acceptance, a receipt for your deposit, housing application forms and a Flight Information form.

5. Take your Letter of Acceptance to the Canadian Embassy or High Commission in your country and apply for a Student Permit (student visa) by visiting www.cic.gc.ca. When your Student Authorization is approved, you will receive a Letter of Approval from the Canadian Embassy or High Commission. Be sure to bring this letter with you to Canada.

You should try to arrive in Niagara about three to five days before your college term begins. If you would like to be greeted at Toronto Pearson International Airport, you must fax, or email the Flight Information form to us. Please note that there is a fee for this service.

On your first or second day in Niagara, you should come to the International Office at Niagara College, Welland Campus. **Please bring your passport with you.** At this time, we will answer all of your questions and assist you with orientation to Niagara.

WHEN TO APPLY

There is no deadline. However, if you are applying from anywhere outside of Canada, you should try to do so at least three to eight months before the start of term. You will need to apply for a Student Visa at the Canadian Embassy or High Commission. This part of the application process can take over two months.

MINIMUM ENGLISH SCORE REQUIREMENTS

Test	Undergraduate Programs	Graduate and Degree Programs
TOEFL	Paper Based: 500	Paper Based: 550
	Computer Based: 173	Computer Based: 213
	IBT: 79 (Min. 20 Writing, Min. 20 Speaking)	IBT: 79-80 (Min. 22 Writing, Min. 22 Speaking)
IELTS	6.0 Academic (no individual band under 5.5)	6.5 Academic (no band under 5.5)

Friends for Life.

Without a doubt, one of the best features of Niagara is its down to earth friendliness. Add in that Niagara receives millions of visitors from all over the world every year with open arms, and you will understand why it is so easy to meet Canadians here. This corner of the world is the perfect place to make friends for life. 

I'VE HAD SUCH A GREAT TIME AT NIAGARA COLLEGE. The way all the people—students, staff, and professors— are always willing to help you excel makes NC so special. It is such a student-centered school. The classes were interesting, challenging and managed to open many doors for me. I know I made the right choice.
