

CALL FOR APPLICATION FOR NON-EU STUDENTS TO THE 6 YEAR DEGREE COURSE IN MEDICINE AND SURGERY, IN ENGLISH, AT SAINT CAMILLUS INTERNATIONAL UNIVERSITY OF HEALTH SCIENCES (UNICAMILLUS) FOR THE ACADEMIC YEAR 2019/2020

Article 1 – Slots available and admission requirements

Saint Camillus International University of Health Sciences, hereinafter referred to as "UniCamillus", has published for the academic year 2019/2020 the public call for application for the admission to the First Year of the Degree Course in Medicine and Surgery, in English.

There are 65 (sixty-five) slots for non-EU candidates residing abroad.

The number of slots available are subject to change as a result of what will be established by Decree of the Ministry of Education, University and Research (M.I.U.R.), in accordance with the Law of 2 August 1999, n. 264. The MIUR Decree may provide for the confirmation, increase or decrease of the slots specified in this call for application.

Citizens from Norway, Iceland, Liechtenstein, Switzerland and the Republic of San Marino are treated as EU candidates and will have to use the related call for application. Equal treatment applies to the categories that – according to what is provided by art. 26 of Italian Law 30 July 2002, n. 189 and subsequent modifications and alterations – access the courses under the same conditions as the Italian students.

Applicants wishing to take the admission test for entry to this degree course must first meet one of the following criteria:

- a secondary school diploma that gives access to the University, issued by a state or equivalent educational institution of the Italian education system in Italy or abroad;
- final qualification of secondary education issued by an institution belonging to a foreign school system, located in Italy or abroad, obtained following a course of at least 12 years of schooling;
- final qualification of secondary education obtained in a school system that includes 10 or 11 years of schooling, supplemented with one or two years of university, provided that all the exams scheduled for those academic years have been passed.

Candidates enrolled in the last year of secondary school at the state and private school institutions of the Italian education system, or at a foreign secondary education institution that allows the achievement of a valid qualification for admission to courses of higher education of the Italian system can also apply to UniCamillus.

The above mentioned candidates must have achieved their qualification by the last expected date for the enrolment for the academic year 2019/2020.

Students already in possession of an academic degree (obtained in Italy or abroad) and those who come from another degree course are required to observe the same procedures indicated in this call for applications and take the admission test.

Candidates who have obtained a High School Diploma, or are in their final year of High School, and have studied in a foreign institution must present a Declaration of Value of the diploma, issued by the Italian diplomatic representation.

Candidates who do not possess or do not present the necessary documentation within the deadlines indicated by the university, according to current legislation, will lose the benefit to enrol or forfeit their enrolment if already admitted and have no right to the refund of the amount paid.

With reference to the recognition of foreign qualifications, the University will take into account the indications provided by the Ministry of Education, University and Research "Procedures for entry, stay and matriculation of foreign/international students to courses of higher education in Italy for the academic year 2018-2019" and subsequent amendments (<http://www.studiare-in-italia.it/studentistranieri>).

Article 4 – Final ranking list

UniCamillus will draw up the final ranking based on the results of the UCATCAMILLUS test.

In case of a tie, the score obtained by the candidate in the different sections of "Verbal Reasoning", "Decision Making", "Quantitative Reasoning", "Abstract Reasoning", prevail in descending order. In the event of a further tie in the score, priority will be given to the younger candidate.

The final ranking, guaranteeing the anonymity of the candidates, will be published by May 15th 2019 on the website www.unicamillus.org.

Article 5 – Enrolment and re-ordering procedure

Candidates who have obtained a favourable position in the ranking for enrolment are required to register on the University web portal www.unicamillus.org starting from the publication of the final ranking up until 31st May 2019. The procedure entails, under penalty of exclusion from the ranking, the payment of the first instalment of the university fee for an amount of €5.000,00 (five thousand).

Any slots not covered will be managed according to the following “reordering” procedure:

- Publication on the website www.unicamillus.org of the number of slots available for missing enrolments or withdrawals (reopening of the rankings);
- Communications to the interested parties of the slots available for missing enrolments or withdrawals;
- admitted candidates for the reordering of the rankings will have to proceed with the online enrolment and with the payment of the first instalment by 6 p.m. of the third day following the reopening of the ranking;
- the reordering procedure will be reiterated until the available seats are filled.

Candidates who do not meet the deadlines indicated above will be considered withdrawing candidates and will lose the right to enrol.

Article 6 – Enrolment completion

From 1 July 2019 and until 26 July 2019 the following documentation must be sent:

(National Health Service) structure;

Failure to submit the certificate, or any psychophysical inability will determine the impossibility of definitive enrolment

in the degree course.

The University will provide useful information in order to fulfil these certifications.

The candidate who renounces or who, however, does not complete the enrolment procedure within the time specified in this call for application, will not be reimbursed of the amount paid, under any circumstance, and will be considered automatically withdrawn.
