PREPARATORY COURSES FOR UNIVERSITY ENTRANCE EXAMINATION IN FLORENCE AND MILAN 2018

Linguaviva prepares students for degree programmes with selective entry which require an admission test: **Medicine, Veterinary, Dentistry, Architecture, Design and Engineering**. Our schools offer 2 different programmes: one option Includes an Italian language course which will provide the language skills needed for university admission tests followed by a course focusing on scientific subjects.
Students who already have the required language knowledge may choose the second option, the preparatory courses focusing only on scientific subjects.

PREPARATORY COURSE FOR UNIVERSITY ENTRANCE EXAMINATION IN FLORENCE AND MILAN

FIRST PART – ITALIAN FOR ACADEMIC PURPOSES
The programme is designed to help students achieve the academic Italian language requirements to access Italian Universities. The course will provide students with the language and study skills needed for the Italian examination which is a mandatory requirement for international students applying on Bachelors Degrees in Italy. The course will teach following skills: comprehending academic texts, writing and making oral presentations, discussing ideas or information taken from a scientific text, independent learning skills, vocabulary expansion.
SECOND PART: SCIENTIFIC SUBJECTS
The course curriculum is tailored to the fields the students plan to study at the University and to the exams they need to take to be admitted to a particular department. Students are given a specific training for scientific subjects as Math, Physics, History of Architecture, Logic etc. according to the degree course chosen by the student. The course is structured according to the indications given by the Italian Ministry of Education on the content of the test. In the courses students will learn about how the exams works and they will get plenty of practice using the types of questions they will see in the exam. Student will exercise also on past exam tests.
