General English (15 hours per week)

The General English course is structured to provide systematic practice and improvement in the core language skills of speaking, listening, reading and writing. It is open to students from beginner to advanced level and focuses on a communicative approach to learning. The classes are fluency based, improving the communication skills of each students.

General English Intensive (30 hours per week)

This more intensive course builds on the content of morning classes and works to develop communication skills at an accelerated rate and to improve competence in using English in everyday situations. Our excellent teachers, modern teaching methods and use of supplementary materials ensures the student maximizes the benefits of their time with us.

General English Plus (20 hours per week)

This course puts an additional focus on conversational English or English for specific purposes. It includes all elements of the General English course plus an additional one hour elective.

Examination Preparation

IELTS and Cambridge exams are the most common exams taken by our students, and carefully structured courses are tailored to ensure detailed preparation for these exams.

General English (15 hours per week)

Put a focus on improving your speaking, listening, reading and writing. Open to students from Beginner to Advanced and can be taken in the Morning or Afternoon.

This is the basic general English class aimed at improving your overall English ability through a communicative approach.

Morning Option - Business English

This tailored programme will combine studying some general English along with situational and industry specific vocabulary. The focus of Business English courses is to help you develop your professional abilities for the workplace. This includes modules such as marketing and negotiation.

General English (20 hours per week)

Add an extra hour of speaking classes each day to your 15 hour course. Includes the full general English course plus a speaking class led by one of our teachers. A great way to improve your speaking when you first arrive.

Examination Preparation

IELTS and Cambridge exams are the most common exams taken by our students, and carefully structured courses are tailored to ensure detailed preparation for these exams.

General English Intensive

Study in the morning and afternoon. Different materials are used in each class to ensure you get a great variety of content. Good for students who need to improve quickly or are here for short breaks.
