- **Less than 18 hours per week** you will need a B-2 tourist visa/ESTA visa waiver.

Book Now

To book your course, you can:

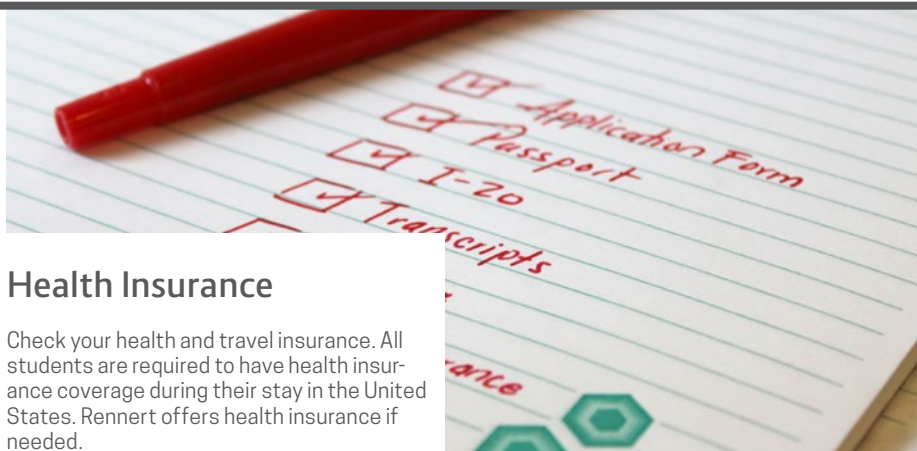

- **Download** a registration form from our website (rennert.com/english/2018-Adult-Registration-Form.pdf) and send it back by email to apply@rennert.com

Visa

If you require an F-1 student visa, please contact us. If you are traveling from an ESTA country, you can apply for your ESTA visa waiver online (www.esta.us).

Housing

If you require housing, Rennert offers a wide range of options. Please inquire with us for more information.

Check your health and travel insurance. All students are required to have health insurance coverage during their stay in the United States. Rennert offers health insurance if needed.

Flights & Transfers

Once you arrange your flight to the U.S., please send the flight details to your Rennert Admissions Coordinator. If you would like to arrange an airport transfer (pick-up) service prior to departure, we can assist you.

Before leaving for your flight, please be sure that you have all the necessary documents (listed below).

- Your passport (with visa)
- Your I-20 (if applicable)
- Proof of payment and health insurance
- Housing information

Follow us on social media—Facebook, Twitter, Instagram, YouTube, Google+, and LinkedIn.—for up-to-date information on what kinds of activities and excursions we will offer during the period of your stay.

After You Land

- You will pass through U.S. Customs & Border Patrol (CBP). This may take some time.
- You will be asked by a CBP officer to describe the purpose of your visit to the United States:

If you are traveling on an **F-1 student visa**, show your visa and I-20 and explain that you will be studying full-time. Otherwise you are traveling on a **Tourist/B-2 visa** or on an ESTA visa waiver as a tourist.

If you have arranged an airport transfer through Rennert, a greeter holding a Rennert sign will be waiting by the Welcome Center. You will receive more in-depth details about the transfer prior to your departure. If you did not arrange a transfer service through Rennert, you can travel to your accommodation by taxi, public transportation, or car service. Most students arrive the day before their Rennert study begins, so we

recommend that you get plenty of rest after arriving at your accommodations.

For your first day at Rennert, you can commute to the school from your accommodations via public transportation, taxi, or by walking if you are staying nearby. **Detailed commuting instructions can be provided upon request.**

Please make sure to bring the following documents with you for your first day:

- **Your passport (with visa/entry stamp)**
- **Your I-20 (if applicable)**
- **Proof of health insurance**
- **Proof of payment**

Your first day at Rennert will consist of new student orientation and testing. At orientation you will meet members of the Rennert team

and experience a presentation about Rennert, the city, and the activities and excursions available during your stay with us.

Our placement test measures your English reading, writing, speaking and listening skills. Every student will interview with a Rennert team member to close their placement test.

After testing and orientation are over, you will receive information about your class placement level and your books. Don't miss the welcome mixer for new students that evening and don't be late for class the following day!

We are all looking forward to seeing you soon in the USA!
